We had another enjoyable BIALL conference again this year, made all the more so with our friend Catherine McArdle winning the Wildy/BIALL Law Librarian of the Year Award.

On the Friday at lunchtime we launched the new edition of *Legal Research*. Peter Clinch and Jon Beaumont were both present and the book was very well received throughout the conference.

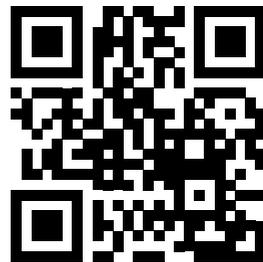

We were very delighted to receive the BIALL award for Supplier of the Year 2013. We have received this accolade twice before but it is still as thrilling to receive it now as it was the first time. We have had countless messages of congratulations which is also very heart-warming.

Finally, our attention was drawn to an article in the New York Times regarding the sale of Anthony Taussig's collection of antiquarian law books to Yale Law School. The article mentions our bookshop which was a few steps from his chambers and where many of the books had been purchased.

Bhala, Raj, *Modern GATT Law: A Treatise on the Law and Political Economy of the GATT 2nd ed*, Sweet & Maxwell Ltd, Hardback, 2 Volumes, £335.00, [ISBN: 9781847037763](https://doi.org/10.1017/9781847037763)

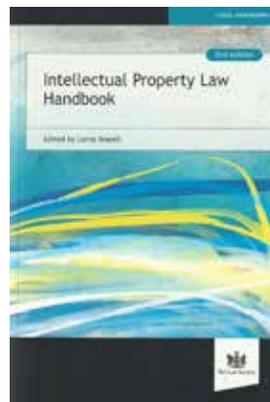

*Modern GATT Law* explains clearly and thoroughly the rules of GATT and connected provisions in other WTO treaties, whilst also examining the case law interpreting and applying these rules. Covering both substantive law and the practice and procedure of the Crown Court, each indictable offence is covered in depth in its own separate chapter. This is to provide you with the kind of enhanced understanding of the law relevant to your current cases that brings

utmost confidence and credibility in court. The treatise spotlights the many issues associated with major emerging countries, particularly China, India, and Brazil, in the GATT-WTO system, and the increasing role of developing and least developed countries in this system.

Born, Gary B., *International Arbitration and Forum Selection Agreements: Planning, Drafting and Enforcing 4th ed*, Kluwer Law International, Paperback, £68.00, [ISBN: 9789041147769](https://doi.org/10.1017/9789041147769) *International Arbitration and Forum Selection Agreements: Drafting and Enforcing* is a concise, practical primer on the fundamentals of drafting and enforcing international arbitration

agreements and other dispute resolution clauses. Drawing on a wealth of practical experience and academic analysis, this extensively revised and expanded fourth edition offers model arbitration and forum selection clauses for international contracts and explains the advantages and disadvantages of different approaches. The book is an essential resource for any international practitioner or corporate counsel engaged in international matters.

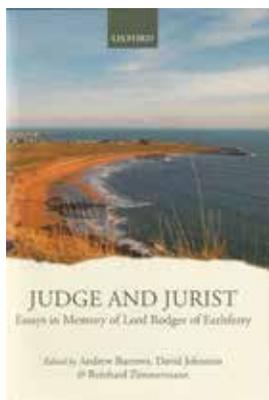

Brazell, Lorna, *Intellectual Property Law Handbook 2nd ed*, Law Society Publishing, Paperback, £89.95, [ISBN: 9781907698620](https://doi.org/10.1017/9781907698620)

The new edition of the *Intellectual Property Law Handbook* provides an authoritative overview of intellectual

property issues facing commercial lawyers. It sets out the principles behind the various IP rights, showing clearly how to apply the law in practice. The book explores the main types of IP right encountered in commercial practice including copyright, trademarks, patents, design rights and confidential information. Each chapter includes an overview and sets out the relevant law showing how it applies to the most common commercial transactions. The handbook also includes flowcharts to explain complex procedures.

Burrows, Andrew; Johnston, David; Zimmermann, Reinhard, *Judge and Jurist: Essays in Memory of Lord Rodger of Earlsferry*, Oxford University Press, Hardback, £125.00, [ISBN: 9780199677344](https://doi.org/10.1017/9780199677344)

Lord Rodger of Earlsferry was a distinguished judge and scholar. He was a Justice of the Supreme Court of the United Kingdom and the author of many high quality law journal articles and two books. Written in memory of Lord Rodger, this collection contains 47 essays by Lord Rodger's friends and colleagues from the UK and Europe. The essays reflect Lord Rodger's role as a leading judge and also his wide-ranging academic interests including Roman law, Scots law and legal history, and a miscellany of other topics.

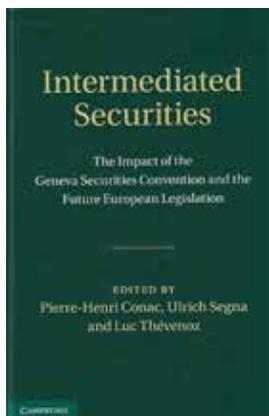

Butler, Jonathan, *Mental Health Tribunals: Law, Practice and Procedure 2nd ed*, Jordan Publishing Ltd, Paperback, £70.00, [ISBN: 9781846616020](https://doi.org/10.1017/9781846616020)

*Mental Health Tribunals: Law Practice and Procedure 2nd ed* is a highly practical reference work for all those appearing before the tribunal and for tribunal members themselves. Detailed explanatory commentary about the organisation, procedure and jurisdiction of the Tribunal is followed by an analysis of Tribunal powers in relation to both non-offender and offender patients. This new edition has been methodically revised to take into account the developing procedure of the Tribunal system, the on-going development of the mental health and mental capacity acts, as well as noting all significant case-law since the previous edition. In addition to explanatory commentary the work will be supplemented by a host of relevant materials including legislation and codes of practice, providing a one-stop-shop for tribunal members and those appearing before the Tribunal.

Hardback, £95.00, [ISBN: 9781107023475](https://doi.org/10.1017/9781107023475)

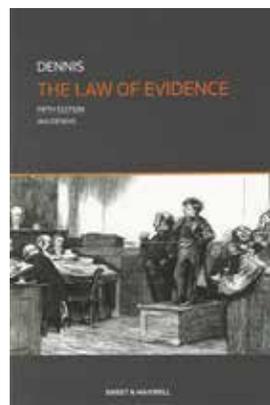

In today's financial markets, investors no longer hold securities physically. Instead, securities such as shares or bonds are mostly held through intermediaries and transferred by way of book-entries on securities accounts. However, there are remarkable conceptual differences between the various jurisdictions with regard to the legal treatment of intermediated securities. It is widely agreed that this patchwork creates considerable legal risks, especially in cross-border situations. Two initiatives are in place to reduce these risks. In 2009, the UNIDROIT Convention on Substantive Rules for Intermediated Securities (the 'Geneva Securities Conven-

tion') was adopted, aimed at harmonisation on the international level. The EU Commission is also running a legislative project, to achieve harmonisation at the regional level. This book compares both initiatives and analyses their impact on the securities laws of selected European jurisdictions.

Davis, Glen; Haywood, Marcus, *Butterworths Insolvency Law Handbook 15th ed: 2013*, LexisNexis Butterworths, Paperback, £120.00, [ISBN: 9781405778831](https://doi.org/10.1017/9781405778831) *Butterworths Insolvency Law Handbook* is the most comprehensive single collection of statutory source material and Practice Directions relating to insolvency law in England, Wales and Scotland. Published annually, the

*Butterworths Insolvency Law Handbook* is regarded as the essential reference work for all insolvency practitioners, setting out the relevant texts of the most important statutes, statutory instruments and European legislation. The legislation is printed as currently in force (taking into account all amendments, repeals and revocations), with detailed technical annotations regarding commencement, cross-references to other legislation and to commencement tables and fees and forms tables where necessary.

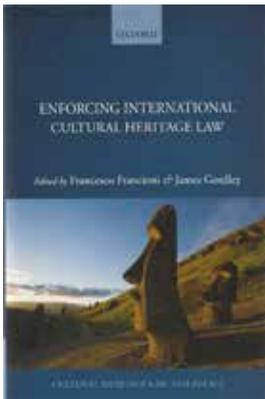

Dennis, Ian, *The Law of Evidence 5th ed*, Sweet & Maxwell Ltd, Paperback, £33.95, [ISBN: 9780414025622](https://doi.org/10.1017/9780414025622)

The fourth edition of this successful textbook provides thorough analysis of the law

of evidence, while placing the subject within its theoretical context. It presents the information in a logical structure following on from the introduction of the basic concepts through to the exclusionary rules of the law of evidence.

Francioni, Francesco; Gordley, James, *Enforcing International Cultural Heritage Law*, Oxford University Press, Hardback, £70.00, [ISBN: 9780199680245](https://doi.org/10.1017/9780199680245). Bringing together world experts in protecting cultural heritage, *Enforcing International Cultural Heritage Law* examines the different ways that cultural heritage property can be protected, including protection at the international level, enforcement in domestic courts, and the role of alternative dispute

resolution mechanisms.

George, R.; Judd, F.; Garrido, D.; Worwood, A., *Relocation: A Practical Guide*, Family Law, Paperback, £60.00, [ISBN: 9781846615047](https://doi.org/10.1017/9781846615047). *Relocation: A Practical Guide* offers practitioners and parents a comprehensive handbook on the law and practice which is needed to successfully handle any relocation dispute, whether it ends up in court or not. Written in an accessible style by a team of experienced specialists, *Relocation: A Practical Guide* explains the entire process of dealing with a relocation case. After a detailed discussion of both international and internal relocation law (including case examples and key summaries), the book moves step

by step through the entire process of a case, from first discussions to final hearings and appeals.

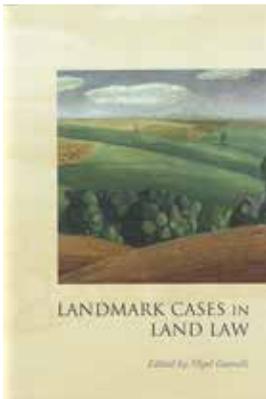

Goode, Roy, *Convention on International Interests in Mobile Equipment and Protocol Thereto on Matters Specific to Space Assets: Official Commentary*, UNIDROIT, Paperback, £175.00, [ISBN: 9788886449212](https://doi.org/10.1017/9788886449212).

An accompanying volume to the *Official Commentary on the Cape Town Convention and Aircraft Protocol* which quickly became the bible for all those engaged in transactions involving the Cape Town Convention and Aircraft Protocol, this volume is an indispensable guide to the Cape Town Convention and Space Protocol to all those that operate in the Space Industry. Study Group that initiated this project, Chairman of the Drafting Committee at the first diplomatic Conference and Rapporteur at the two other diplomatic Conferences, Professor Sir Roy Goode was uniquely qualified to fulfil the mandate given to him by successive diplomatic Conferences to prepare the Official Commentary on the Convention and each of the three Protocols.

Gravells, Nigel, *Landmark Cases in Land Law*, Hart Publishing, Hardback, £60.00, [ISBN: 9781849462570](https://www.wildy.com/9781849462570)

*Landmark Cases in Land Law* is the sixth volume in the Landmark Cases series of collected essays on leading cases (previous volumes in the series having covered Restitution, Contract, Tort, Equity and Family Law). The eleven cases in this vol-

ume cover the period 1834 to 2011, although, interestingly, no fewer than six of the cases were decided or reported in the 1980s. The names of the selected cases will be familiar to property lawyers. However, individually, the essays provide a reappraisal of the cases from a wide range of perspectives - focusing on their historical, social or theoretical context, highlighting previously neglected aspects and even questioning their perceived importance. Collectively, the essays explore several common themes that pervade the law of property the numerus clausus principle, the conclusiveness of registration, the desirability of certainty in the law and the central question of the enforceability of interests through changes in ownership of land. This volume provides a collection of essays that will be of interest to academics, students and practitioners.

Henshall, John, *Global Transfer Pricing: Principles and Practice 2nd ed*, Bloomsbury Professional, Paperback, £95.00, [ISBN: 9781847663962](https://www.wildy.com/9781847663962)

*Global Transfer Pricing: Principles and Practice*,

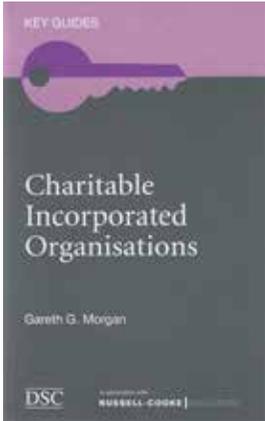

Second Edition provides a straightforward and accessible introduction to this complex area of tax, offering readers an overall understanding of transfer pricing as it is practised today. As well as reviewing transfer pricing theory and guidance, this practical handbook explains how to implement transfer pricing models in global multinationals and how to monitor transactions to ensure compliance. The updated second edition has been substantially revised to cover the 2010 update to the OECD Transfer Pricing Guidelines and it features new chapters on intangibles, business restructuring and UK transfer pricing legislation. It also includes Deloitte's 2013 Global Transfer Pricing Country Guide, an indispensable source of infor-

mation on the transfer pricing regimes in 58 jurisdictions around the world.

Morgan, Gareth G., *Charitable Incorporated Organisations*, Directory of Social Change, Paperback, £19.95, [ISBN: 9781906294267](https://doi.org/10.1093/dsc/9781906294267)

Charitable Incorporated Organisations (CIOs) are a fundamentally new legal form and are set to become the structure of choice for many new voluntary organisations that have charitable aims. Although CIOs have been legal entities in Scotland since 2011 (SCIOs), this timely book is the first to focus exclusively on this important charitable structure since it became law in England and Wales at the start of 2013. This guide provides the full range of practical guidance needed by voluntary sector

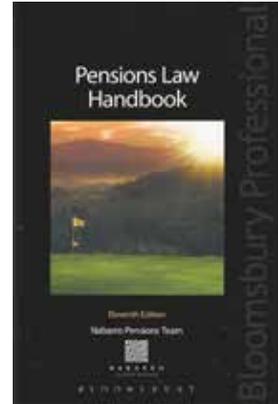

practitioners and professional advisors to establish new CIOs or to convert existing charities to CIOs.

Murphy, Peter; Glover, Richard, *Murphy on Evidence 13th ed*, Oxford University Press, Paperback, £35.99, [ISBN: 9780199669875](https://doi.org/10.1093/oxfordhb/9780199669875)

*Murphy on Evidence* is firmly established as a leading text for use on undergraduate law courses and in preparation for professional examinations. Frequently consulted by judges and practitioners and regularly cited in judgments, it has come to be regarded as a work of authority throughout the common law world. The book's unique approach effectively bridges the gap between academic study of the law of evidence and its application in practice, combining

detailed analysis of the law with a wealth of practical information about how it is used in the courtroom.

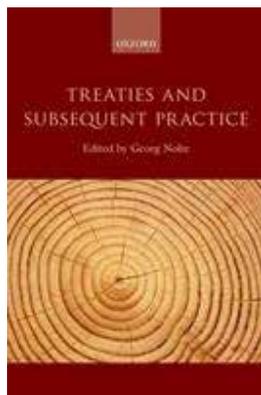

Nabarro Pensions Team, *Pensions Law Handbook 11th ed*, Bloomsbury Professional, Paperback, £90.00, [ISBN: 9781780430133](https://doi.org/10.1093/oxfordhb/9781780430133)

*Pensions Law Handbook 11th edition*, is the definitive and comprehensive guide to pensions law and practice within the UK. It deals with the duties and responsibilities of key personnel and the law applicable to specific tasks, such as contracting out, early leavers, reconstruction, winding-up, funding and surplus. This practical handbook will guide you through the complex web of pensions-related statutes, regulations and case law, providing accessible, easy-

to-understand explanations of the relevant topical issues.

Nolte, Georg, *Treaties and Subsequent Practice*, Oxford University Press, Hardback, £80.00, [ISBN: 9780199679195](https://doi.org/10.1017/9780199679195)

*Treaties and Subsequent Practice* discusses the role and relevance of subsequent practice in the process of dynamic treaty interpretation. The book provides a comprehensive treatment of this topic by eminent commentators, combining contributions which focus on practical cases with chapters examining the theoretical underpinnings of treaty interpretation. The concept of subsequent practice is situated in the more general context of treaty law and international law, looking at different cases and doctrinal questions to assess

its policy dimensions. The book addresses the question of whether subsequent practice plays a more or less significant role in different areas of international law, and whether it can be employed as a partial substitute for formal treaty amendments. It also includes two previously unpublished reports issued by the International Law Commission's Study Group on this topic.

Panayi, Christiana H. J. I., *European Union Corporate Tax Law*, Cambridge University Press, Hardback, £95.00, [ISBN: 9781107018990](https://doi.org/10.1017/9781107018990)

How does EU law affect Member State corporate tax systems and the cross-border activities of companies? This unique study traces the historical development of EU corporate tax law and provides an in-depth analysis of

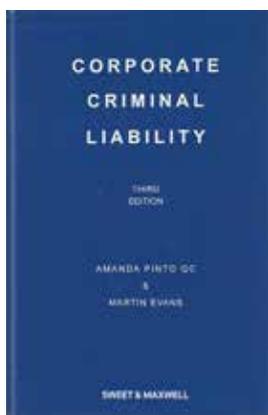

a number of issues affecting companies, groups of companies and permanent establishments. Existing legislation, soft-law and the case-law of the Court of Justice are examined. The proposed CCCTB Directive and its potential application through enhanced co-operation are also considered. In addition to the tax issues pertaining to direct investment, the author examines the taxation of passive investment income, corporate reorganisations, exit taxes and the restrictive effect of domestic anti-abuse regimes. By doing so, the convergences and divergences arising from the interplay of EU corporate tax law and international tax law, especially the OECD model, are uncovered and highlighted.

Pinto, Amanda; Evans, Martin, *Corporate Criminal Liability 3rd ed*, Sweet & Maxwell Ltd, Hardback, £149.00, [ISBN: 9780414027589](https://doi.org/10.1017/9780414027589)

With the Corporate Manslaughter and Corporate Homicide Act 2007, the criminal liability of companies entered a new era. The third edition of this practical guide to corporate criminal liability updates its coverage in light of Supreme Court decisions

on the 2007 act and wide-ranging other developments. It deals with all offences where corporations can have a criminal liability, from Companies Act 2006 offences and those under the Financial Services & Markets Act 2000 to fraudulent trading and corruption, as well as corporate manslaughter. The book defines the essential concepts, including what constitutes a ‘corporation’, the meaning of ‘victim’, and how the courts have construed the notion of ‘corporate liability’. It examines each offence in turn, discussing what must be proved, the prosecution process, including evidence requirements, and sentencing.

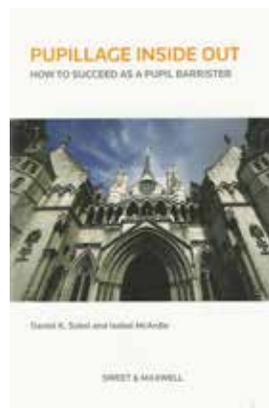

Rosenthal, Adam; Fitzgerald, Elizabeth; Duckworth,

Nathaniel; Radley-Gardner, Oliver; Sissons, Philip, *Commercial and Residential Service Charges*, Bloomsbury Professional, Hardback, £140.00, [ISBN: 9781847669858](https://doi.org/10.1017/9781847669858)

*Commercial and Residential Service Charges* provides an in-depth analysis of the law and practice relating to service charge disputes in both residential and commercial property law. The principal focus of this brand new title is on service charges payable by tenants to landlords, but it also covers service charges in the freehold context. All heads of charges commonly covered by a service charge are given a detailed treatment together with descriptions of the machinery used for recovering service charges and the remedies available

to landlords and tenants in service charge disputes. Most helpfully it includes coverage of thorny issues such as conditions precedent for payment, certification of accounts and methods of apportionment.

Sokol, Daniel K.; McArdle, Isabel, *Pupillage Inside Out: How to Succeed as a Pupil Barrister*, Sweet & Maxwell Ltd, Paperback, £14.95, [ISBN: 9780414029132](https://doi.org/10.1017/9780414029132)

Based on the authors’ own recent experience and the wisdom of their peers, clerks, and supervisors, this is the ultimate guide to pupillage, demystifying the process and providing practical advice to all aspiring barristers navigating this crucial stage in the path to practice. The book covers such topics as what to wear, relationships

with supervisors, pupils, and clerks, how to behave at social events, finances and what to expect at all stages of pupillage.

The Rt Hon Lord Wilson of Culworth; His Honour Judge Anthony Cleary; The Rt Hon Lady Justice Black, *The Family Court Practice 2013: The Red Book*, Family Law, Hardback & Supplement (Autumn 2013), £370.00, [ISBN: 9781846616327](http://www.wildy.com)

Covering the entire range of family business in every level of court, *The Family Court Practice* remains the acknowledged authority on practice and procedure. Completely revised and updated for 2013, it contains fully and expertly annotated statutes and rules together with scores of unique step-by-step procedural guides,

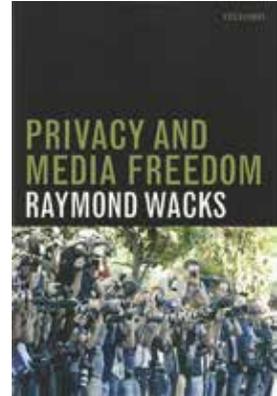

which direct the user effortlessly to the relevant rules and annotations. *The Family Court Practice 2013* includes an Autumn Supplement which will be published at the end of November.

Titchen, Ken; Singleton, Susan, *Buying and Selling Insolvent Companies and Businesses 2nd ed.*, Bloomsbury Professional, Paperback, £95.00, [ISBN: 9781780432014](http://www.wildy.com)

*Buying and Selling Insolvent Companies and Businesses* is a practical legal guide to the sale and purchase of insolvent companies and businesses. It aims to be a comprehensive guide to its readers, being useful to insolvency practitioners and other professionals involved in insolvency, including lawyers, accountants, company direc-

tors and company secretaries. It is also of use to potential investors and their advisors as well as being of interest to students who may wish to specialise in insolvency.

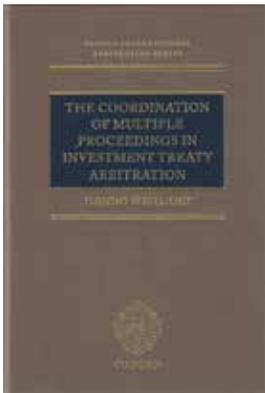

Wacks, Raymond, *Privacy and Media Freedom*, Oxford University Press, Paperback, £29.99, [ISBN: 9780199668663](http://www.wildy.com); Hardback, £60.00, [ISBN: 9780199668656](http://www.wildy.com).

This book examines the right of privacy from a legal, philosophical, and social perspective, tracing its genesis in the United States, through the development of the law of confidence, and its recent recognition by the Human Rights Act. The Leveson Inquiry into the culture, practices, and ethics of the press, sparked by the hacking of telephones by newspapers, revealed a greater degree

of media intrusion than was previously evident. Its conclusions and recommendations, particularly regarding the regulation of the media, are examined, as well as the various remedies available to victims of intrusion and unsolicited publicity. The law is locked in a struggle to reconcile privacy and free speech, in the face of relentless advances in technology. The manner in which courts in various jurisdictions have attempted to resolve this conflict is critically investigated, and the prospects for the protection of privacy are considered.

This is the first systematic analysis of multiple proceedings arising from investor-state disputes, including proceedings before multiple arbitral tribunals, the domestic courts of host states, and other forums such as the European Court of Human Rights. It seeks to identify clear, predictable, and sensible coordination mechanisms and to suggest an application of these mechanisms that reduces jurisdictional fragmentation, jurisdictional competition, and the potential for abuse of the complexities of the system of international investment protection.

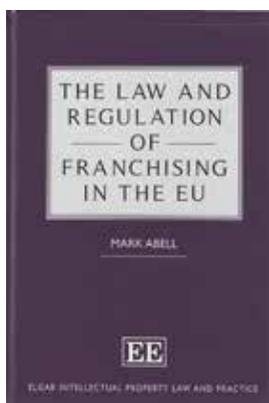

Weinstein, Stuart ; Wild, Charles, *Legal Risk Management, Governance and Compliance: A Guide to Best Practice from Leading Experts*, Globe Law and Business, Hardback, £110.00, [ISBN: 9781905783946](https://doi.org/10.1017/9781905783946)

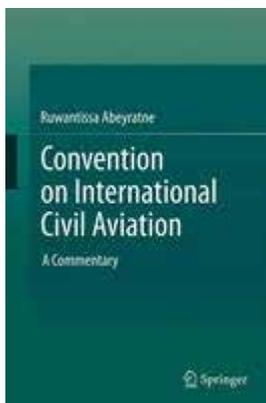

This title offers cutting edge know-how and guidance for the development and management of a sophisticated legal risk management and compliance operation. While identifying risks and regulatory challenges, chapters also explore how professionals can manage processes; implement change; track issues and loss events; screen potential clients, partners, employees and contractors; and implement appropriate remediation. The book features chapters on board structures, tax compliance, fraud and bribery, Sarbanes-Oxley requirements, European capital markets regulation, competition law, data protection, offshoring and the cloud, human resources issues for managers, and managing legal risk in China.

### **Modern Legal Drafting: A Guide to Using Clearer Language 3<sup>rd</sup> edition**

By Peter Butt

Cambridge University Press, Paperback, ISBN 9781107607675, £27.99, due July 2013

*Modern Legal Drafting* provides a comprehensive, authoritative guide to drafting legal documents in effective, plain English. Peter Butt, a leading expert in the field, has fully revised and updated the text for this new edition. It combines a practical focus with the legal principles that underpin the use of plain language in law. This dual practical and academic approach distinguishes it from other books in the field. It includes expanded material on the techniques for achieving a style that is both clear and legally sound. It also includes new material on the challenges and merits of drafting in plain language, and provides many before-and-after examples to help both practising lawyers and students develop their skills. It takes an international approach, drawing upon case law and statutes from England, Australia, New Zealand, the United States, Canada, Ireland, India, Ma-

laysia, Singapore and Hong Kong.

### **A Legal Guide to United States Business Organizations: The Law of Partnerships, Corporations, and Limited Liability Companies 2<sup>nd</sup> edition**

By John M.B Balouziyeh

Springer-Verlag, Hardback, ISBN 9783642379062, £53.99, due July 2013

This volume provides an overview of United States federal and state law governing business organizations. The chapters take the reader through a step-by-step exposition of the most basic sole proprietorships to the most complex multi-tiered conglomerates. Among the business organizations treated are partnerships with their various modalities (general partnerships, limited partnerships, limited liability partnerships), corporations (including closely held corporations and other variations) and limited liability companies. The case law and statutes governing the full menu of business organizations are systematically analyzed and presented. Leading cases at both the federal and state level as well as model

legislation such as the Uniform Partnership Act and enacted legislation are further examined. Other topics covered include Agency and partnerships, Accounting, taxation and finance, Startup corporations and venture capital, Fiduciary duties and shareholder control, Mergers and acquisitions.

### **Financial Remedies Handbook 9<sup>th</sup> edition**

By Roger Bird and Andy King

Jordan Publishing Ltd, Paperback, ISBN 9781846617102, £75.00, due July 2013

The *Financial Remedies Handbook* (formerly entitled the Ancillary Relief Handbook) has established itself as a first resort for thousands of matrimonial lawyers. By combining a clear explanation of the applicable legal principles with straightforward advice on practice and procedure, this is the essential reference work for the busy family lawyer. This new edition has been thoroughly revised and contains detailed analysis of all recent case law developments, including practical guidance as to how these developments should be applied. Key topics include: Transfer of Property

Orders and Housing Needs; Settlement of Property Orders and Variation of Settlements; Avoidance of Disposition and Other Injunctions Insolvency and Rights of Creditors; Costs and Appeals and Setting Aside. The Appendices contain a wide range of precedents and relevant legislative provisions.

### **Substantive Law of the EU: The Four Freedoms 4<sup>th</sup> edition**

By Catherine Barnard  
Oxford University Press, Paperback, ISBN 9780199670765, £33.99, due July 2013

In the 10 years since its first edition, Catherine Barnard's text has quickly established itself as the leading textbook on the Four Freedoms. Popular with students and academics alike, this authoritative text offers a unique balance of comprehensive, detailed coverage in a concise and readable style. The fourth edition continues to provide a critical and thorough analysis of the key principles of the substantive law of the EU, focusing on the four freedoms. An introductory chapter provides valuable context on the governance of the internal market, its evolution, and the theories behind its key principles. Each of the freedoms is then dealt with in turn, covering goods, per-

sons, services, and capital, before moving on to discuss harmonization, the regulation of the internal market, and its future. Additional useful detail is captured in footnotes, while further reading lists provide support for independent study and research. This thorough coverage is fully supported by engaging case studies throughout the book which place the law in context, helping you to understand the complexities of the subject and exploring the practical implications of EU law. Diagrams, flowcharts, and tables offer further detail and illustrate key ideas and processes in an easily accessible format, while chapter overviews and a clear structure ensure readers remain on track and can find information quickly.

### **Oil and Gas Law in the UK**

By Moe Alramahi, John Karlberg and Leon Moller  
Bloomsbury Professional, Paperback, ISBN 9781847665553, £55.00, due August 2013

The UK oil and gas industry has evolved at unprecedented speed over the past four decades. It has attracted a great deal of attention from a range of industry players and regulators throughout the world. This is largely because the petroleum industry brings together the most powerful

public and private actors in the form of states and transnational corporations. Oil and gas law has the task of arranging the resultant relationships and of ensuring that the legitimate interests of all actors are protected. In so doing, the law is required to take cognisance of (among other things) the physical characteristics of oil and gas, their pervading influence on modern society, and the considerable public interest surrounding the way in which these natural resources are exploited. The purpose of this book is to equip the wide range of players in the oil and gas industry, and policy makers, researchers, academics and students with up-to-date knowledge of this rapidly changing field. The book is written to provide an overview of the central legal issues in the UK oil and gas industry today, and an understanding of its key actors, their roles and interests. It also aims at exploring key issues and emerging trends in oil and gas contracting. *Oil and Gas Law in the UK* provides the reader with effective and practical ways of approaching oil and gas legal issues, and is the first student textbook of its kind in the market, relevant to both undergraduate and postgraduate law students. It provides a concise and reader-friendly

approach to the subject.

**The Law and Economics of Article 102 TFEU 2<sup>nd</sup> edition**

By Robert O'Donoghue and A. Jorge padilla

Hart Publishing, Hardback, ISBN 9781849461399, £145.00, due July 2013

*The Law and Economics of Article 102 TFEU* is a comprehensive, integrated treatment of the legal and economic principles that underpin the application of Article 102 TFEU to the behaviour of dominant firms. Traditional concerns of monopoly behaviour, such as predatory pricing, refusals to deal, excessive pricing, tying and bundling, discount practices and unlawful discrimination are treated in detail through a review of the applicable economic principles, the case law and decisional practice and more recent economic and legal writings. In addition, the major constituent elements of Article 102 TFEU, such as market definition, dominance, effect on trade and applicable remedies are considered at length. Jointly authored by a lawyer and an economist, *The Law and Economics of Abusive Dominance* contains an integrated approach to the legal and economic principles that frame policy in this major area of competition law.

Although written primarily with practitioners and in-house lawyers in mind, it is essential reading for anyone with an interest in competition law enforcement against monopoly behaviour.

**Family Offices: The STEP Handbook for Advisers**

By Clare Archer

Globe Law and Business, Hardback, ISBN 9781909416024, £130.00, due September 2013

The family office sphere is of great interest to lawyers, accountants, trust companies, those in private banks and the financial world, as well as family office executives and wealthy families themselves. This new handbook, prepared in association with the Society of Trust and Estate Practitioners, features chapters from leading players in the field, including JP Morgan, SandAire, Family Capital Conservation Limited, Penningtons Solicitors LLP, Baker & McKenzie and Berenberg Bank. The book steers readers through the family office model from its inception, focusing on the viability of family offices for those at the margin of what is normally regarded as the minimum financial base and comparing this to a family worth many millions. The book also considers a range of issues around the cultural

development of the family office - from the larger complex structures of North America to the emergence of family offices in developing jurisdictions. Whether the reader is a professional practising in the family office sphere, a family member or a new entrant to this diverse and challenging arena, this practical new title will serve as an interesting guide, providing valuable comment and insight into the family office world.

**Carriage of Goods by Sea, Land and Air: Uni-modal and Multi-modal Transport in the 21st Century**

Edited by Baris Soyer and Andrew Tettenborn

Informa Law, Hardback, ISBN 9780415830546, £275.00, due July 2013

Written by a combination of top academics, industry experts and leading practitioners, this book offers a detailed insight into both unimodal and multimodal carriage of goods. It provides a comprehensive and thoroughly practical guide to the issues that matter today on what is a very complex area of law. From the papers delivered at the 8th International Colloquium organised by Swansea Law School's prestigious Institute of International Shipping and Trade Law, this original work

considers current opinions, trends and issues arising from contracts of carriage of goods by sea, land, air, and multi-modal combinations of these, not to mention the legal position of vital participants such as freight forwarders, terminal operators and cargo insurers. The topics under discussion range through issues such as paperwork, piracy, liability for defective containers, damage in transit, the CMR Convention, and the possible effects of the Rotterdam Rules. An indispensable resource for transport lawyers, industry professionals, academics and post-graduate students of maritime law.

**Woodroffe and Lowe's: Consumer Law and Practice 9<sup>th</sup> edition**

By Geoffrey Woodroffe and Robert Lowe  
Sweet and Maxwell, Paperback, ISBN 9780414027626, £30.95, due July 2013

*Woodroffe and Lowe's Consumer Law and Practice* provides undergraduate students and those studying the LPC with concise yet comprehensive guidance on consumer law. It takes an innovative problem-solving approach to the subject and focuses on the types of problems most likely to arise or be encour-

tered in real life and uses examples to explain how the law deals with such situations. Centred on domestic law including legislation transposing EU Directives; Analyses key cases including *Carey v HSBC* and the Supreme Court decision *OFT v Abbey National*; Covers the latest developments including changes to consumer protection; Includes the latest EU Consumer Credit Directive; Explains all the OFT Approved codes of practice; Provides a selection of County Court precedents supplied by a District Judge which highlight the practical applications of this book.

**Compulsory Purchase and Compensation 10<sup>th</sup> edition**

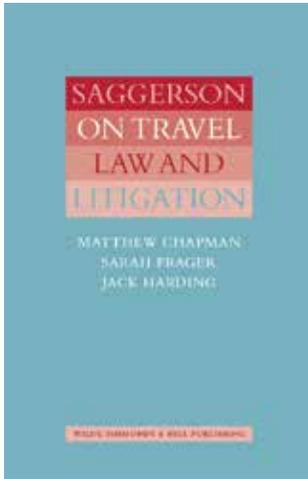

By Barry Denyer-Green  
Estates Gazette, Paperback, ISBN 9780415629928, £44.99, due September 2013  
Now in its 10th edition, no other book provides the same level of information on law relating to compensation in England and Wales while remaining readable and affordable. The preferred book on the subject, it is used by all professionals and is especially suited to those coming to this complex subject without a specific background in the law. Surveyors in particular will find this book invaluable.

Extensively revised to reflect the Localism Act 2011 and other recent changes to the law, *Compulsory Purchase and Compensation* remains the essential guide to this complex subject.

**Fixed Fees in the Criminal Court: A Survival Guide 3<sup>rd</sup> edition**

By Anthony Edwards  
Law Society Publishing, Paperback, ISBN 9781907698897, £49.95, due September 2013

With radical changes in fees for criminal cases it has never been more important to deal with these efficiently. This practical and accessible guide will help to ensure that your fees are processed quickly and correctly. The third edition of this popular book contains all the critical information, codes and fee tables you need to deliver bills for legally aided criminal cases in the police station, magistrates' and Crown Courts. This edition now has a separate chapter setting out the principles of costs and has been expanded to cover all fixed and graduated fee schemes including those for prison law. It is fully referenced to the relevant case law and includes all the regulation and contract changes taking effect in April 2013.

Extent: 892 pp  
Binding: Hardback

Written by a new team of leading practitioners at the London travel law set, 1 Chancery Lane, this new edition of this well-known work comprehensively revises and updates classic topics. Existing case law is placed in a practical context and the many new developments in the law are discussed in detail.

Travel law and litigation is one of the most dynamic areas of practice and new law is constantly being made. The volume of new case law has increased significantly since the fourth edition was published and the busy practitioner needs to remain on top of this. The fifth edition provides full commentary on all topics of relevance to the travel lawyer.

Both a digest of the existing law and a lively guide to where the law may be heading, this new edition of this leading text is clear, concise and authoritative. It will be of interest to all those who deal with claims that have a cross-border elements and will prove an essential addition to the library of all barristers, solicitors and legal executives who practise in this expanding field.

The authors are Barristers at 1 Chancery Lane, where they handle the full range of travel-related litigation. They serve on the Committee of the Travel & Tourism Lawyers' Association (respectively, as Chairman, Treasurer and Secretary). They have been involved in many of the most high profile travel law cases of the past decade.

***LEGAL RESEARCH***  
*A Practitioner's Handbook*

Second edition

Peter Clinch with Jon Beaumont

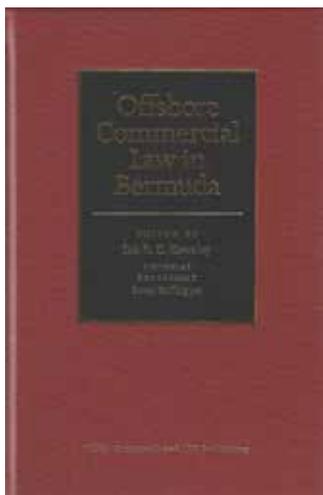

Price: £45.00  
Edition: 2nd edition  
ISBN: 9780854901234  
Binding: Hardback

This comprehensive reference work is specifically aimed at busy practitioners (solicitors, barristers and professional support lawyers). *Legal Research: A Practitioner's Handbook* provides practical advice on every aspect of effective legal research: problem analysis, selecting and finding the best sources, and presenting results effectively.

This second edition has been thoroughly updated throughout, taking into account the increasing popularity of the PLC database aimed at UK law practitioners, the overhaul of a number of government and other official sites (national and international), and significant changes to directions by UK courts relating to the conduct and presentation of legal research. New material on the use of social media in legal research has also been added.

Part A covers problem identification and analysis, followed by advice on how to select the best sources and formats (paper or electronic) for research. Part B deals with the information most frequently sought by practitioners, listing sources with analytical comments and, for a selection of the most complex, 'how to use' instructions developed to a standard template. Jurisdictional coverage includes England, Wales, Scotland, Northern Ireland and the European Union, with the addition of information on key sources in European human rights and international law. Part C details sources on how to make the presentation of the results of legal research more effective. These three parts are supplemented by Part D, which describes in non-technical language how a practitioner might get the best value for money when buying information, whether print or online, from commercial law publishers.

Peter Clinch has 35 years' experience in law information work, including training law students, practising solicitors and law librarians in legal research skills. Jon Beaumont is Head of Knowledge Management at Shakespeares. He is Chair of the British & Irish Association of Law Librarians (BIALL) Publications Committee.

## ***OFFSHORE COMMERCIAL LAW IN BERMUDA***

Edited by Ian Kawaley

Editorial Consultant: Karen Skiffington

Price: £145  
ISBN: 9780854901074  
Extent: 702 pp  
Binding: Hardback

*Offshore Commercial Law in Bermuda* is the first comprehensive practitioner's guide to offshore commercial practice in one of the world's leading offshore financial centres.

The book is divided into three main sections, Establishing Offshore Vehicles, Commercial Dispute Resolution and Relations with the Onshore World. Subjects covered include company law, insurance partnership law, trust law, litigation and insolvency law, regulatory law and cross-border cooperation. The book considers Bermuda Commercial Law as a broad topic and also addresses ethical and policy considerations.

Edited by a commercial judge and written by leading practitioners in the principal commercial law fields, this book provides an insight into the development and current operation of Bermuda's offshore legal framework. Each contributor describes the key legal rules and explains how the relevant legal principles are applied in practice. Reference is made to relevant statutory provisions and case law, while contributors also furnish practical observations which add flesh to the bare bones of the formal legal structures in question.

The depth of treatment will make the text an indispensable reference tool for the experienced practitioner, the clarity of the text ensures that the book is also accessible to those new to the topics covered. *Offshore Commercial Law in Bermuda* is for international lawyers whose work involves or potentially involves interaction with companies, partnerships, trusts or special purpose vehicles based in Bermuda. It will also be invaluable to offshore professionals based in Bermuda.

Ian R C Kawaley is a Judge of the Commercial Court, a division of the Supreme Court of Bermuda. In September 2010 his selection as the next Chief Justice of Bermuda, with effect from 1 April 2012, was announced.

*Advising and Representing Clients at Mediation* is an invaluable guide for lawyers, surveyors and other professionals. It will assist at every stage of the mediation process from persuading the other party to mediate, to preparing for and taking part in the mediation itself, and advising clients on what to expect and how to conduct themselves at a mediation.

The book also offers extensive checklists and precedents, practical advice from experienced mediators, and a clear explanation of the law as it currently stands.

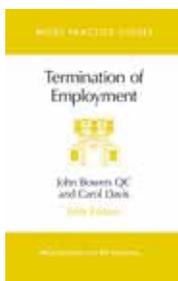

Stephen Walker is a consultant at Follett Stock and an accredited moderator and Fellow of the Institute of Arbitrators. David Smith is a solicitor and Head of Compliance at Anthony Gold. He is an accredited mediator with Regents School of Psychotherapy and ADR Group and a former trustee of Portsmouth Mediation Service.
