We had a great time in New York at the Association of American Law Schools annual conference. Fortunately we left just before the big snow storm. Our next big conference is the Canadian Association of Law Libraries in Vancouver. We are looking forward to seeing everyone there and making some announcements of particular interest to our North American customers.

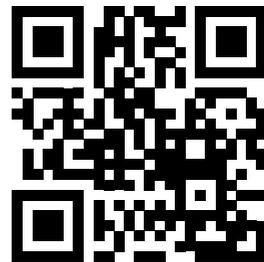

We are pleased to announce the publication of *A Practitioner's Guide to Probate Disputes* by Nasreen Pearce (see p 27 below). There are a number of new publications about to go to the printer, including books on Bilateral Investment Treaty Claims, Conflicts of Interest in International Arbitration, Public International Law Cases before English Courts, The Single Family Court, and the Law of the Rights of Light. It is going to be a busy springtime.

Finally, please remember that the White Book is now available for pre-order to ensure you receive your copy on the day of publication in March. For further information see p 17 below.

There are two things that keep me motivated in February. Firstly, knowing that March is only four weeks away and that Spring will soon be with us. And secondly, that the new edition of the White Book is available for pre-order. Such is the life of a bookseller!

We have been selling the eBook version of the White Book for three years now and it is by far and away the biggest eBook of the year. The success of this title on the Thomson Reuters ProView platform has given many customers the confidence to look at other Sweet & Maxwell eBooks. If you have been happily using the White Book on ProView then why would you not want your copy of Chitty and Benjamin on your iPad too?

There are a number of different options if you want the White Book eBook

- White Book 2016 Volume 1 eBook only - £560 + VAT
- White Book 2016 Volume 1 & 2 eBook only - £665 + VAT
- White Book 2016 Volume 1 eBook + Print - £625 + VAT
- White Book 2016 Volume 1 & 2 eBook + Print - £799+ VAT

Special reduced rates will also be available for those within 3 years of call.

But why would you want to have the White Book as an eBook anyway? For me there are two main reasons - convenience and functionality.

**Convenience** – The eBook contains the full text of the hard copy and you can carry it around with you wherever you go. Unlike the book it does not weigh five and a half kilos and, as it is just text, it takes up very little space on your computer. The other thing I really like about ProView is that you can download it on up to four devices. So you can have the White Book on your work PC, home PC, laptop and tablet and any notes or annotations you make will synchronise between all your copies. Just think of the saving in post-it notes!

**Functionality** – Navigating around the White Book using ProView is always intuitive and quick. Moving between sections is instant – there is hardly any lag. As I mentioned above, the highlighting and annotating functions are excellent and can be transferred between old and new editions of the same title.

I know that most customers will still look at taking the hard copy as well as the eBook although I have noticed with other key annual titles like Archbold there is quite a drift towards the eBook only option.

On a final note I would like to say to anyone that is still using the CD-ROM of the White Book that I would highly recommend that you consider the eBook option. It does everything the CD-ROM does and so much more. If anyone wants to have a look at ProView in operation then please feel free to stop by the shop in Carey Street.

Regards

*Graham*

### ***A PRACTITIONER'S GUIDE TO PROBATE DISPUTES***

Nasreen Pearce

Price: £69.00  
ISBN: 9780854901371  
Extent: 294 pp  
Binding: Hardback

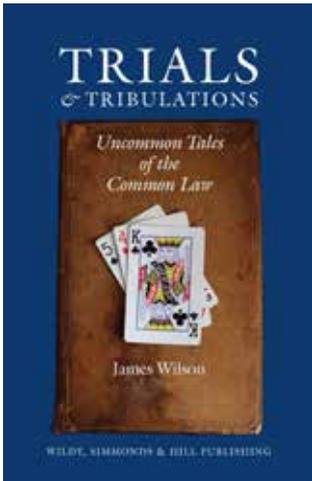

Disputes over wills and other testamentary dispositions are on the increase. A Practitioner's Guide to Probate Disputes provides an invaluable guide to the relevant legal framework and the basis on which a will and other testamentary provisions may be challenged. With an ageing population, issues such as undue influence, fraud and forgery are increasingly becoming grounds for dispute. The book comprehensively covers issues relating to the form and content of a will and its execution, including testamentary capacity, knowledge and approval. The book also features the more usual lifetime testamentary dispositions and the claims and challenges that can be made in relation to them.

A Practitioner's Guide to Probate Disputes includes an overview of the claims that can be made under the Inheritance (Provision for Family and Dependents) Act 1975. It provides guidance as to best practice and sets out examples from case law to illustrate the legal requirements and the problems which can arise from poor will drafting and a failure to investigate sufficiently all the circumstances relating to the testator/testatrix. A commentary on disputes which may arise over the burial of the body and the relevance of the rights under the European Convention for the Protection of Human Rights and Fundamental Freedoms is also covered.

Nasreen Pearce is a retired circuit judge and was formerly a district judge of the Principal Registry of the Family Division. She is the General Editor of Emergency Remedies in the Family Courts, a contributor to the Family Court Practice, Butterworths Wills, Probate and Administration Service and Finance & Law for the Older Client. She has also written extensively on other areas of family law.

**TRIALS & TRIBULATIONS**  
*Uncommon Tales of the Common Law*

James Wilson

Price: £14.99  
ISBN: 9780854901715  
Extent: 238 pp  
Binding: Hardback

Why are court cases such a fertile source for writers of fiction and non-fiction alike? For a start, they usually have a beginning, middle and end; and a ready cast of characters playing defined roles. They always have an inherent crisis to be resolved. But they also contain a great deal of human interest: behind the theatrics and etiquette of the courtroom, and the often arcane language and concepts of the law, there are real people seeking answers to real-life problems. The common law is sometimes made by faceless corporations, or rich and powerful individuals seeking to preserve their money or reputation. Just as often, however, it is made by ordinary people who are not seeking fame or wealth, but who are simply trying to right whatever they believed has been wronged.

This book is a collection of 50 stories of notable court cases spanning more than a century. There are great ethical dilemmas – the tragic case of the conjoined twins where one, but not both, could survive, or the football fan Tony Bland who was left in a persistent vegetative state after the Hillsborough Disaster, and whose family faced the tragic choice of ending treatment. There are significant legal cases such as *Donoghue v Stevenson* and *Carlill v Carbolic Smoke Ball Company*. There are also great Victorian scandals such as Oscar Wilde’s fall from high society, or the wrongful imprisonment of Captain Dreyfus. Then there are more topical cases, such as those involving religion and the law and the ‘clash of rights’ that sometimes occurs when devout people find their conscience will not allow them to act according to the law.

And then there are cases that can only be described as absurd. The writer Julie Burchill was once sued by someone who was offended by her calling him ‘ugly’. In another case, an unfortunate marital dispute required the judge to look at reams of hard-core pornography, and to try to find judicially-appropriate neutral language to describe it.

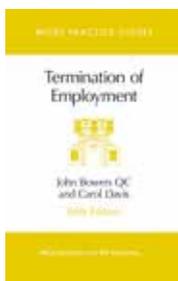

Written in an accessible style with an eye to the human as much as legal interest, the book will be of interest to lawyers and non-lawyers alike.
