A PRACTITIONER'S GUIDE TO PROBATE DISPUTES

Nasreen Pearce

Price: £69.00
ISBN: 9780854901371
Extent: 294 pp
Binding: Hardback

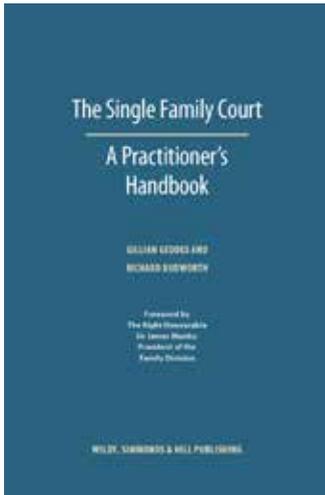

Disputes over wills and other testamentary dispositions are on the increase. A Practitioner's Guide to Probate Disputes provides an invaluable guide to the relevant legal framework and the basis on which a will and other testamentary provisions may be challenged. With an ageing population, issues such as undue influence, fraud and forgery are increasingly becoming grounds for dispute. The book comprehensively covers issues relating to the form and content of a will and its execution, including testamentary capacity, knowledge and approval. The book also features the more usual lifetime testamentary dispositions and the claims and challenges that can be made in relation to them.

A Practitioner's Guide to Probate Disputes includes an overview of the claims that can be made under the Inheritance (Provision for Family and Dependents) Act 1975. It provides guidance as to best practice and sets out examples from case law to illustrate the legal requirements and the problems which can arise from poor will drafting and a failure to investigate sufficiently all the circumstances relating to the testator/testatrix. A commentary on disputes which may arise over the burial of the body and the relevance of the rights under the European Convention for the Protection of Human Rights and Fundamental Freedoms is also covered.

Nasreen Pearce is a retired circuit judge and was formerly a district judge of the Principal Registry of the Family Division. She is the General Editor of Emergency Remedies in the Family Courts, a contributor to the Family Court Practice, Butterworths Wills, Probate and Administration Service and Finance & Law for the Older Client. She has also written extensively on other areas of family law.

Following the recent overhaul of the family justice system and the resulting plethora of revised legislation, practice directions and guidance from the office of the President of the Family Division, this book provides an invaluable reference for the busy family practitioner.

The authors are two highly experienced family practitioners in different fields of family law, who have identified and collated the most useful guidance from their respective areas of expertise for other users of the single Family Court. They have concentrated on the key aspects of the recent and significant changes to enable the embattled practitioner to cope more easily in this rapidly changing legislative and procedural labyrinth.

The Single Family Court: A Practitioner's Handbook contains practice directions, protocols, precedents and relevant case law. It offers a discerning selection of materials applicable to the single Family Court and provides essential guidance on a wide range of issues ranging from court etiquette to international child abduction.

Gillian Geddes specialises in children's cases and is cited as a leader in her field in Chambers UK – The Bar 2016. Gillian has written extensively on family law and the family justice system. She was appointed a Bencher of the Honourable Society of Gray's Inn in 2016.

Richard Budworth studied law at the City University in London and was called to the Bar in 1982. He specialises in a broad range of family law work.
