CYBER CRIME

Law and Practice

Second Edition

Matthew Richardson

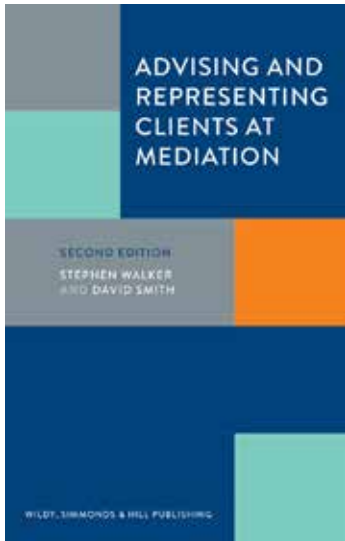

With Foreword by Ian Dyson, Commissioner of the
City of London Police, National Lead on Cyber-Crime

Price:	£95.00
<u>ISBN:</u>	9780854902811
Extent:	336pp
Binding:	Hardback

Cyber Crime: Law and Practice, now in its second edition, tackles the fast-growing topic of cyber crime and covers a wide range of issues from electronic fraud, data, interception of communications, cyber stalking, online theft and intellectual property to more involved topics like malicious communications and the rules of evidence relating to cyber-crimes and computers. The second edition contains updated information on new offences under the Computer Misuse Act 1990, Investigatory Powers Act 2016, Data Protection Act 2018 and GDPR, as well as new CPS guidance on prosecution of offences relating to social media.

Using detailed case studies, examples and statutory extracts the author explains all aspects of cyber crime and computer crime. *Cyber Crime: Law and Practice* provides a practical, easy-to-follow guide for practitioners in the field, as well as those in law enforcement and academia.

Matthew Richardson is a specialist in electronic and hi-tech law, serving the first ever injunction via twitter, and obtaining several ground-breaking hi-tech orders since then. He holds a doctorate in the law and policy of cyber crime and he practices as a barrister from Henderson Chambers.

ADVISING AND REPRESENTING CLIENTS AT MEDIATION

Second Edition

Stephen Walker and David Smith

Price:	£45.00
ISBN:	9780854902774
Extent	268pp
Binding:	Paperback

Advising and Representing Clients at Mediation is an invaluable guide for lawyers, surveyors and other professionals. It will assist at every stage of the mediation process from persuading the other party to mediate and preparing for and taking part in the mediation itself to advising clients on what to expect and how to conduct themselves at a mediation.

The book also offers extensive checklists and precedents, practical advice from experienced mediators, and a clear explanation of the law as it currently stands.

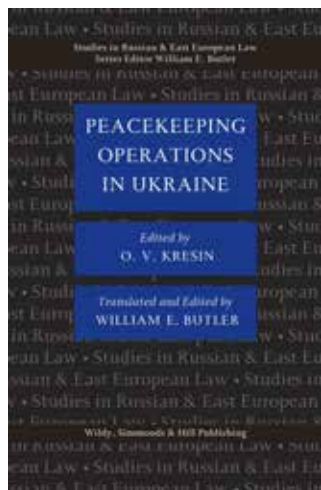

The book is fully updated with all the changes in the mediation sector including new relevant case law, the new approaches created by the Jackson reforms and the Jackson ADR Handbook, and the latest thinking on ADR processes and procedures.

“Every now and then a book is published for legal representatives that goes beyond a mere analysis of the law and technical guidance, and makes the reader stop and think. This is one such publication. I wish I had read this book before I first represented clients as a solicitor at mediations. Now, as a commercial mediator, plenty in the book resonates with my own experiences. It is packed with real-life tips and examples. It will help a representative get the very best out of the mediation process for their client.”

The Law Society Gazette (from the review of the previous edition)

Stephen Walker is a retired solicitor and an active accredited mediator and Fellow of the Institute of Arbitrators. He is ranked in the top 40 mediators in both the Legal 500 and Chambers and has been appointed in over 700 mediations.

David Smith is a partner and Head of Operations at Anthony Gold Solicitors. He is an accredited mediator with Regents School of Psychotherapy and ADR Group and a former trustee of Portsmouth Mediation Service.
