## MAJOR NEW TITLES THIS MONTH

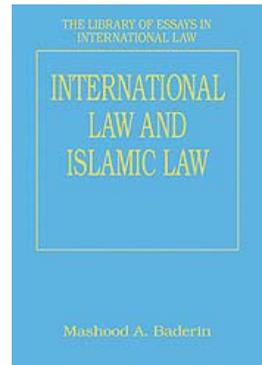

Arden, Andrew, *Local Government Constitutional and Administrative Law 2nd ed*, Sweet & Maxwell Ltd, Hardback, £195.00, ISBN: 9781847031853 This work addresses local government constitutional and administrative law as a subject distinct from the law governing the various functions of local authorities. It examines the legal framework within which local government is organised, covering both the statutes regulating local government and the administrative law governing local government activities, including domestic

administrative law and European law.

Bacon, Nicholas; Garrod, Simon, *The Bar Handbook 2008*, LexisNexis Butterworths, Paperback, £60.00, ISBN: 9781405728058 A practical handbook bringing together, for the first time, details and guidance relating to a barrister's professional obligations, parameters of work, permitted charging arrangements, ability to get paid, getting redress when not paid, tax and VAT liabilities, insurance practice planning and good practice advice/relevant statute and regulatory references, for all

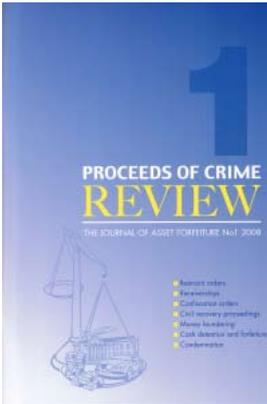

barristers be they sole practitioners, employed, legal aided or privately funded.

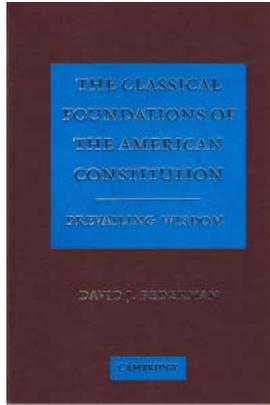

Baderin, Mashood A., *International Law and Islamic Law*, Ashgate Publishing Ltd, Hardback, Ashgate Publishing Ltd, £170.00, ISBN: 9780754627159 The relationship between modern international law and Islamic law has raised many theoretical and practical questions that cannot be ignored in the contemporary study and understanding of both international law and Islamic law. The significance and relevance of this relationship in both academic and practical terms, especially after the terrorist attacks of

11 September 2001, is now well understood.

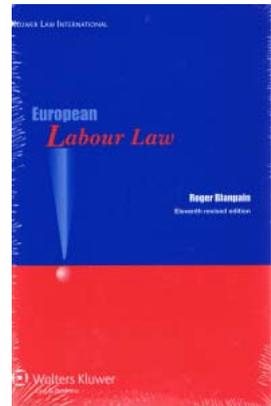

Barnard, David; Millington, Trevor; Law, John, *Proceeds of Crime Review: The Journal of Asset Forfeiture*, Wildy, Simmonds and Hill Publishing, Paperback, A4: 2 Issues per year, £55.00, ISBN: 1756-7432 This new bi-annual publication brings together authoritative articles and expert case analysis in relation to the recovery of the proceeds of crime. Published in an easily accessible format, *Proceeds of Crime Review* provides busy practitioners with the means of keeping up to date with all the latest developments, and is an indispensable reference for anyone working within this fast-moving specialist area.

Bederman, David J., *The Classical Foundations of the American Constitution: Prevailing Wisdom*, Cambridge University Press, Hardback, £55.00, ISBN: 9780521885362 The framers of the American Constitution were substantially influenced by ancient history and classical political theory, as exemplified by their education, the availability of classical readings, and their inculcation in classical republican values. This volume explores how the framing generation deployed classical learning to develop many of the essential structural aspects of the Constitution: federalism, separation of powers, a bicameral legislature, independent courts, and the war and foreign relations powers. Also examined are very contemporary

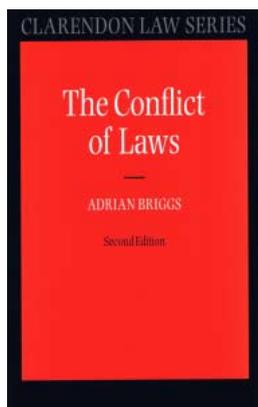

constitutional debates, for which there were classical inspirations, including sovereign immunity, executive privilege, line-item vetoes, and the electoral college. Combining techniques of intellectual history, classical studies, and constitutional interpretation, this book makes a unique contribution to our understanding of contemporary constitutionalism.

Blanpain, Roger , *European Labour Law 11th ed*, Kluwer Law International, Paperback, £65.00, ISBN: 9789041127679 This book deals with European labour Law and industrial relations. It covers legislation concerning relations between employers and employees, collective agreements and the case law of the Court of Justice, as well as the structure

and strategies of the social actors.

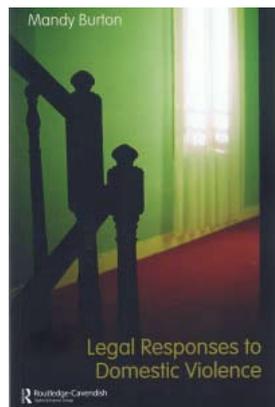

Briggs, Adrian, *The Conflict of Laws 2nd ed*, Clarendon Press, Paperback, Clarendon Press, £24.95, ISBN: 9780199539673 This book provides a complete yet accessible survey of English private international law. It examines the jurisdiction of English courts (and whether their judgments are enforced and recognized overseas) and the effect of foreign judgments in England. It also looks at the principles of choice of law for cases which have an international element, for example contracts made or performed in other jurisdictions or with other parties, torts committed overseas or by foreign parties, international fraud, dealings with

property overseas, and family and personal matters (particularly marriage, divorce, and financial support) across different jurisdictions. As the law becomes less 'English' and more 'European', real and difficult questions arise at the point where two sources of legislative authority, and two streams of judicial authority come together. This fully updated second edition explores how these changes are altering the foundations of the subject.

Brundage, James A, *The Medieval Origins of the Legal Profession: Canonists, Civilians and Courts*, The University of Chicago Press, Hardback, £25.50, ISBN: 9780226077598 In the aftermath of sixth-century barbarian invasions, the legal profession that had grown and flourished during

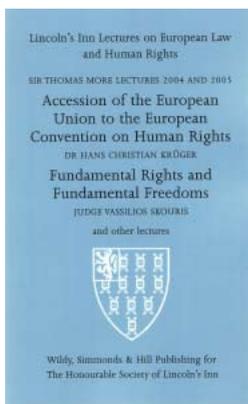

the Roman Empire vanished. Nonetheless, professional lawyers suddenly reappeared in Western Europe 700 years later during the 1230s when church councils and public authorities began to impose a body of ethical obligations on those who practiced law.

Burton, Mandy, *Legal Responses to Domestic Violence*, Routledge-Cavendish, Paperback, £45.00, ISBN: 9781844720262 This book aims to examine legal responses to domestic violence in a holistic way. In England and Wales, as in other jurisdictions, much attention has been paid to the criminal justice response to domestic violence. The response of the civil justice system has not been ignored, but has been somewhat marginalized. *Legal Responses*

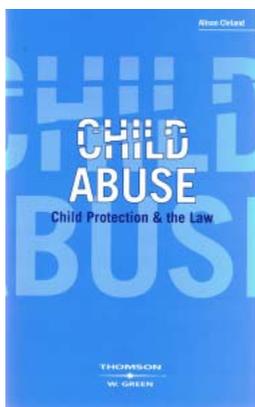

## MAJOR NEW TITLES THIS MONTH – *Continued*

*to Domestic Violence* takes a systematic approach to examining legal responses, encompassing the full range of decision makers within the legal system to analyze developments in substantive law and practice, in particular the movement towards an integrated justice approach.

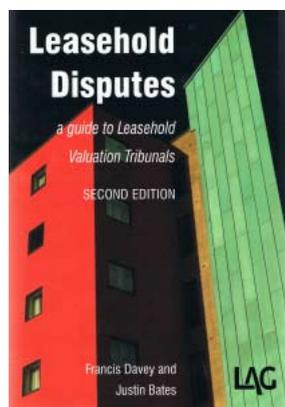

Christian Kruger, Hans; Skouris, Vassilios, *Sir Thomas More Lectures 2004 and 2005: Accession of the EU to the ECHR & Fundamental Rights and Fundamental Freedoms*, The Honourable Society of Lincoln's Inn, Paperback, £14.95, ISBN: 9780854900244 and other lectures...

Cleland, Alison, *Child Abuse: Child Protection and the Law*, W. Green, Paperback, £45.00, ISBN: 9780414016071

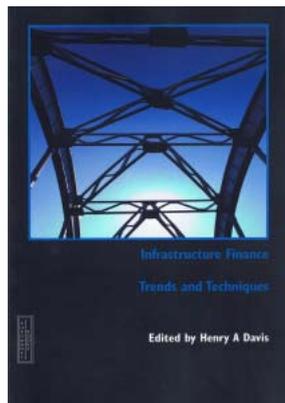

This is the first Scottish text to analyse the law relating to child abuse in terms of prevention, protection and proactivity. Providing the broadest possible coverage of this subject, the author offers detailed guidance on both the civil and criminal law mechanisms relating to the protection of children and the prosecution of sexual offences. The author also discusses the policy behind the law, as well as looking at preventative measures and the interface of the child protection and criminal justice mechanisms.

Davey, Frances; Bates, Justin; LAG, *Leasehold Disputes: A Guide to Leasehold Valuation Tribunals 2nd ed*, Legal Action Group, Paperback, £30.00, ISBN: 9781903307625

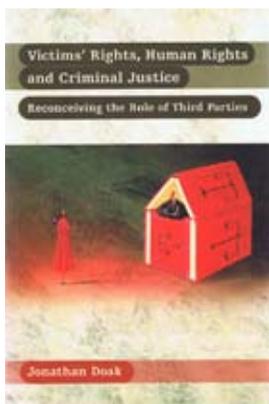

This is a practical guide for anyone likely to find themselves before, or considering making an application to, a Leasehold Valuation Tribunal (LVT). It also aims to equip leaseholders and their advisers with the necessary information on their rights, and the obligations of landlords, to resolve issues without resort to the tribunal system.

Davis, Henry A., *Infrastructure Finance: Trends and Techniques*, Euromoney Institutional Investor, Paperback, £145.00, ISBN: 9781843742821 *Infrastructure Finance* gives a broad view of trends and techniques in infrastructure financing around the world today. The title considers a wide range of projects including transport, water systems, power and toll road privatisation. Themes include the rising need for infrastructure investment, the quality of country infrastructure, government budget limitations and benefits and risks of investment.

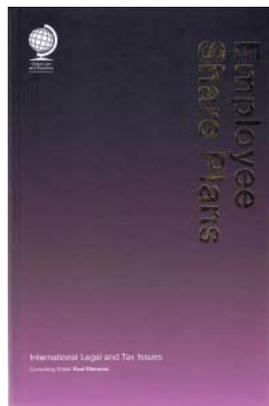

Doak, Jonathan, *Victims Rights, Human Rights and Criminal Justice: Reconceiving the Role of Third Parties*, Hart Publishing, Paperback, £30.00,

ISBN: 9781841136035 This monograph deconstructs the nature and scope of the rights of victims of crime against the backdrop of an emerging international consensus on how victims ought to be treated and the role they ought to play. The essence of such rights is ascertained not only by surveying the plethora of international standards which deal specifically with crime victims, but also by considering the potential cross-applicability of standards relating to victims of abuse of power, with whom they have much in common.

Edwards, Anthony, *Fixed Fees in the Criminal Court: A Survival Guide*, Law Society Publishing, Paperback, £39.95, ISBN: 9781853287183 This is an essential reference guide to the new criminal

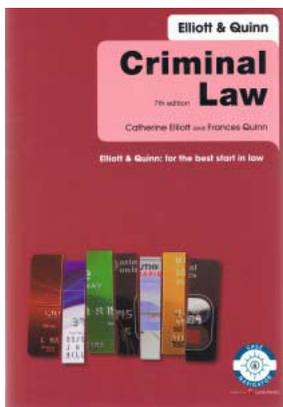

costs regime that criminal practitioners need in order to submit bills for work done in legally aided criminal cases in the police station, magistrates and Crown Courts. This handy guide brings together information that practitioners would not normally find in one place. It outlines all the new codes for courts and police stations and enables easy access to the guidance and codes needed to fill in the Legal Services Commission (LCS) forms. All the required fee tables are provided.

Ellerman, Paul, *Employee Share Plans: International Legal and Tax Issues*, Globe Business Publishing, Hardback, £120.00, ISBN: 9781905783144 This new title features contributions by leading experts from 29 countries providing, in just one volume, the

important legal and tax issues to be considered when operating employee share plans internationally. This major text will assist legal, tax and HR professionals in multi-national companies, and the private practice advisers working with them, in extending their employee share plans globally.

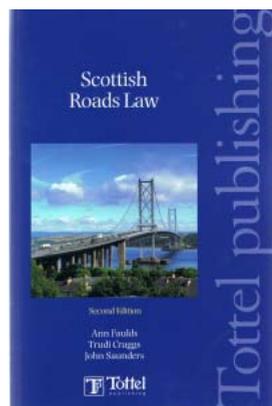

Elliott, Catherine; Quinn, Frances, *Elliott & Quinn: Criminal Law 7th ed*, Pearson Education Ltd, Paperback, £21.99, ISBN: 9781405858717 Elliott and Quinn's *Criminal Law 7th ed* is an established, reliable and popular textbook, covering English criminal law comprehensively, but concisely. This lively, clear and accurate guide to the law will help you to understand the subject quickly. The book has been

updated throughout with new and relevant case law. Recent important changes to the law have been fully analysed.

Evans, Malcolm; Murray, Rachel, *The African Charter on Human and Peoples' Rights: The System in Practice 1986-2006 2nd ed*, Cambridge University Press, Hardback, £65.00, ISBN: 9780521883993 The African Charter of Human and Peoples' Rights came into force in 1986, and is unique in that it lacks a precedent. However, little scholarship exists analysing it as an operational system in practice. The success of the first edition of this book has led to this updated second edition. Contributors include experts who have been actively involved in the implementation of the Char-

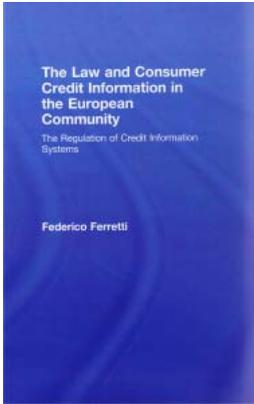

ter – commissioners, NGOs and academics.

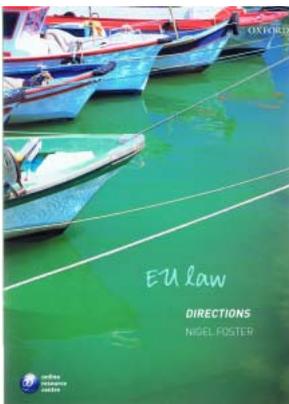

Faulds, Ann; Craggs, Trudi; Saunders, John, *Scottish Roads Law 2nd ed*, Tottel Publishing Ltd, Paperback, £60.00, ISBN: 9781845927806 *Scottish Roads Law, 2nd ed* is a unique source of reference which brings together all the legislation and case law of this important area of Scots law. This practical and accessible text provides a straightforward guide to the operation of roads law tackling many of the roads issues that arise in development control or management including road construction consent and traffic regulation orders.

Ferretti, Federico, *Law and Consumer Credit Information in the European Com-*

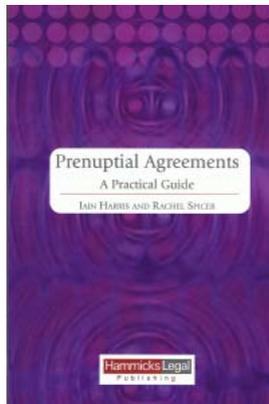

## MAJOR NEW TITLES THIS MONTH – *Continued*

*munity*, Routledge-Cavendish, Hardback, £70.00, ISBN: 9780415460736 The book looks at the laws which surround and affect consumer credit reporting, including bank secrecy obligations. Consumer credit reporting and its relationship to human rights is also explored, as every individual in the EC is entitled to informational privacy.

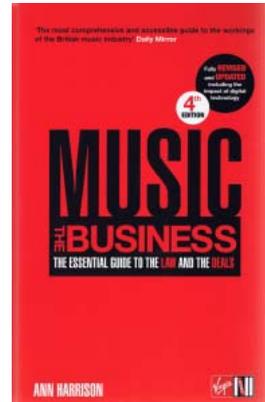

Foster, Nigel, *EU Law Directions*, Oxford University Press, Paperback, Oxford University Press, £25.00, ISBN: 9780199230358 This book is written in an informal and engaging manner with an emphasis on explaining the key topics covered in EU courses with clarity. No previous knowledge is assumed making this is an ideal main text for those encountering EU law for the first time. The book is logically structured and set out in a manner aimed to make EU law less complicated.

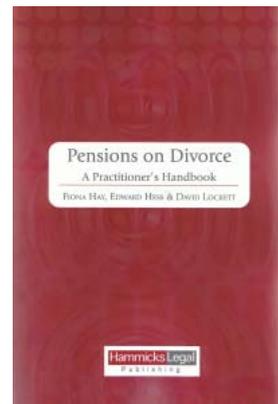

Harris, Iain; Spicer, Rachel, *Pre-Nuptial Agreements: A Practitioner's Handbook*, Hammicks Legal Publishing, Paperback, £49.00, ISBN: 9781858116013 This book, intended for the practitioner, examines the prenuptial agreement, its ori-

gins, purposes, enforceability and future uses. It contains practical advice as to best practice and gives guidance upon the appropriate form for prenuptial agreements.

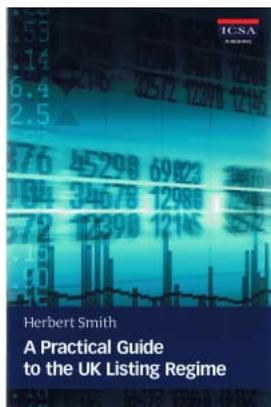

Harrison, Ann, *Music: The Business - The Essential Guide to the Law and the Deals 4th ed*, Virgin Books, Hardback, Virgin Books, £25.00, ISBN: 9781905264278

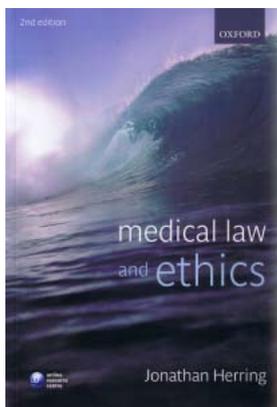

## MAJOR NEW TITLES THIS MONTH – *Continued*

Hay, Fiona; Hess, Edward; Lockett, David, *Pensions on Divorce: A Practitioner's Handbook*, Hammicks Legal Publishing, Paperback, £49.00, ISBN: 9781858116020  
When a husband and wife decide to divorce it is frequently the case that one of them will own valuable pension rights and the other will not, or will own such rights of a smaller value. The interests of fairness may justify court intervention to redistribute these rights or make some other provision as compensation. This book attempts to explain and explore this in an accessible fashion.

Herbert Smith LLP, *A Practical Guide to the UK Listing Regime*, ICSA Publishing Ltd, Paperback, £65.00, ISBN: 9781860723957  
For those involved in running

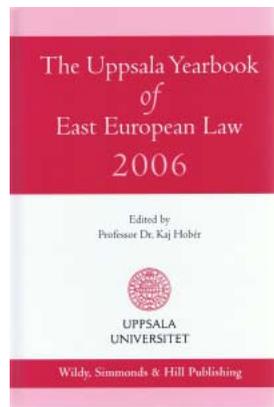

or advising listed companies, this book will prove an invaluable source of practical guidance. Including detailed background commentary on the regulatory environment, it provides comprehensive guidance on the procedures for obtaining admission to the Official List. Practical advice is also provided on meeting ongoing obligations laid down by the Listing, Disclosure and Transparency rules on matters such as disclosure; financial reporting; shareholder communication and significant and related party transactions.

Herring, Jonathan, *Medical Law and Ethics 2nd ed.*, Oxford University Press, Paperback, £26.99, ISBN: 9780199230662

Along with examining the important cases, statutes and legal principles, the book

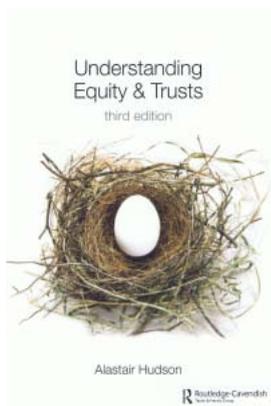

also looks at different ethical perspectives, such as feminist, religious, critical and sociological, to give readers a rounded and thorough understanding of the subject

Hobér, Kaj, *The Uppsala Yearbook of East European Law 2006*, Wildy, Simmonds and Hill Publishing, Hardback, £95.00, ISBN: 9780854900237  
including the first English publication of Vladimir Vladimirovich Putin's *Strategic planning for rehabilitation of the mineral resources base of the region during the formation of market relations (St. Petersburg and Leningrad Oblast)*

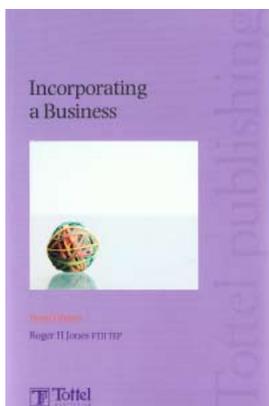

Hudson, Alastair, *Understanding Equity & Trusts 3rd ed.*, Routledge-Cavendish, Paperback, £18.99,

## MAJOR NEW TITLES THIS MONTH – *Continued*

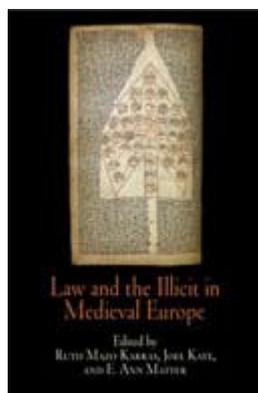

ISBN: 9780415461993  
This is a sister text to Alastair Hudson's leading textbook *Equity and Trusts*, that gives those unfamiliar with the subject a clear, accessible, readable and comprehensive overview of the main themes in this dynamic area of the law. Whether used at the beginning of studying this field, as an aid to study or in the period before examinations, this book provides the reader with an invaluable grounding in all of the key principles of equity and the law of trusts. This book covers all of the topics that a student reader will encounter in any trusts law or general equity course.

Jones, Roger H., *Incorporating a Business 3rd ed*, Tottel Publishing Ltd, Paperback, £68.00,

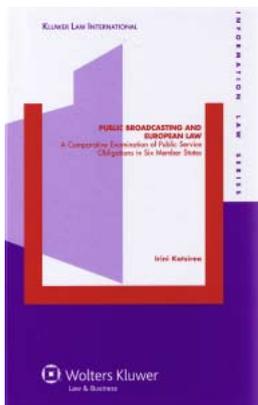

ISBN: 9781847661319  
This is the 3rd edition of Roger Jones' best-selling handbook on incorporation, and the ongoing issues of running a new private company. It's a 'must-have' for anyone advising clients on the tax and legal issues, processes, practicalities and long-term implications of incorporating their business. The day-to-day issues are expertly and insightfully covered.

Karras, Ruth Mazo; Kaye, Joel; Matter, E. Ann, *Law and the Illicit in Medieval Europe*, University of Pennsylvania Press, Hardback, £39.00, ISBN: 9780812240801  
In the popular imagination, the Middle Ages are often associated with lawlessness. As historians have long recognized, however, medieval

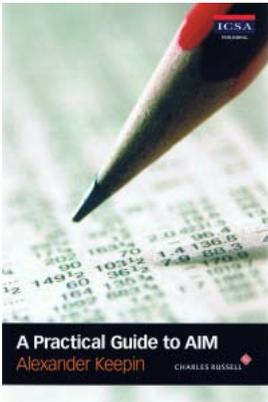

culture was characterized by an enormous respect for law, legal procedure, and the ideals of justice and equity. Many of our most important modern institutions and legal conceptions grew out of medieval law in its myriad forms (Roman, canon, common, customary, and feudal).

Katsireia, Irini, *Public Broadcasting and European Law*, Kluwer Law International, Hardback, £82.00,

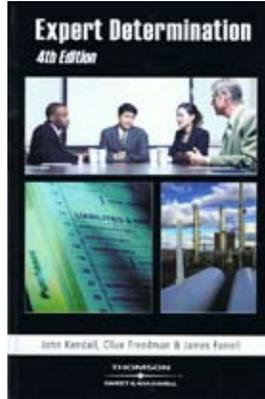

## MAJOR NEW TITLES THIS MONTH – *Continued*

ISBN: 9789041125002  
This important book examines the challenges posed to public service obligations by European Union media law and policy. An in-depth analysis of the extent to which six countries (France, Germany, Greece, Italy, the Netherlands, and the United Kingdom) regulate broadcasting for the public interest reveals a range of vulnerability to national political pressures or, alternatively, to the ideology of market sovereignty.

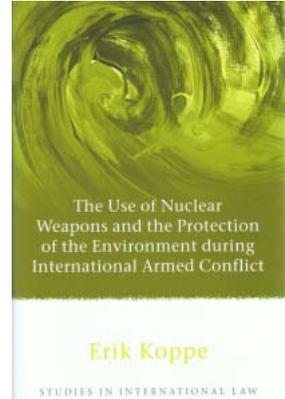

Keepin, Alexander, *A Practical Guide to AIM*, ICSA Publishing Ltd, Paperback, £65.00, ISBN: 9781860723940  
This book will help readers better understand what is involved in being admitted or operating as a company

trading on AIM. It points out some of the practical considerations which the directors will need to consider, both from a personal perspective and for the benefit of shareholders as a whole.

Kendall, John, *Expert Determination 4th ed*, Sweet & Maxwell Ltd, Hardback, £150.00, ISBN: 9781847030313  
This work is renowned as the leading text on expert determination. This new edition explains the procedures involved in detail, examines the application of expert determination in a range of commercial sectors, and looks at all the practical issues involved such as tactics during a dispute. It covers the many recent developments in the area, including the expert's risk of prosecution under the Proceeds of Crime Act 2002, the growing inter-

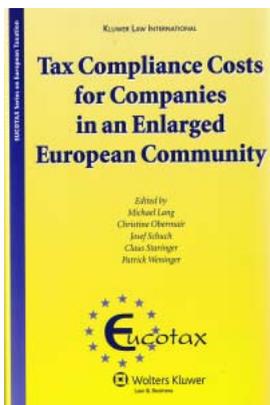

national use of expert determination, and how it is being used in new commercial sectors such as outsourcing and utilities.

Koppe, Erik, *The Use of Nuclear Weapons and the Protection of the Environment during International Armed Conflict*, Hart Publishing, Hardback, £50.00, ISBN: 9781841137452  
In 1996, the International Court of Justice delivered an Advisory Opinion on the legality of the use of nuclear weapons in which the Court stated that “while the existing international law relating to the protection and safeguarding of the environment does not specifically prohibit the use of nuclear weapons it indicates important environmental factors that are properly to be taken into account in the context of the

implementation of the principles and rules of the law applicable in armed conflict.” The present work analyses this conclusion, focusing on the question whether or not the use of nuclear weapons during international armed conflict would violate existing norms of public international law relating to the protection and safeguarding of the environment

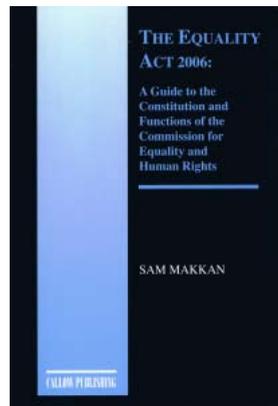

Lang, Michael, *Tax Compliance Costs for Companies in an Enlarged European Community*, Kluwer Law International, Hardback, £109.00, ISBN: 9789041126665 It's widely acknowledged that the administrative and regulatory obligations for tax matters represent a heavy time and cost consuming burden, especially for small and medium sized enterprises (SMEs). Tax compliance pro-

cedures are recognized to be too complicated for SMEs. This problem becomes even more serious in those cases where SMEs expand their activities cross-border and are confronted not only with their national tax laws, but have to comply also with obligations under national tax codes in different Member States.

LexisNexis Butterworths Editorial Staff, *The Scottish Law Directory 2008*, LexisNexis Butterworths, Hardback, £62.95, ISBN: 9781405729024 *The Scottish Law Directory 2008* includes the latest list of certificated solicitors, published with the authority of the Law Society of Scotland. It is the most widely used source for anyone seeking information about legal ser-

vices in Scotland.

Makkan, Sam, *The Equality Act 2006: A Guide to the Constitution and Functions of the Commission for Equality and Human Rights*, Callow Publishing, Paperback, Callow Publishing, £29.50, ISBN: 9781898899969

Mavromati, Despina, *The Law of Payment Services in the EU: The EC Directive on Payment Services*

## MAJOR NEW TITLES THIS MONTH – *Continued*

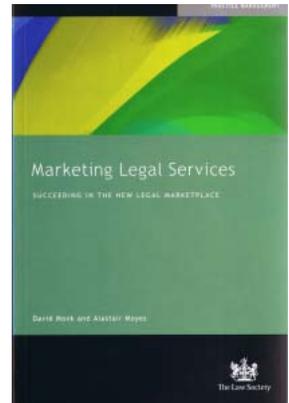

*in the Internal Market*, Kluwer Law International, Hardback, Kluwer Law International, £102.00, ISBN: 9789041127006 The role that payments play within the general framework of financial services in the EC is indispensable for the realization of a true single European market including, inter alia, the conditions of cross-border purchasing, the legal framework of consumer protection, and the technical standards against fraud in payment systems. The Commission's New Legal Framework for payment services in the internal market – as evidenced by the EC Payment Services Directive (PSD) – represents an important step towards the completion of an initiative for a Single Euro Payments Area and, more broadly, EU-wide financial services integration. Yet, while wholesale financial services and, in particular, wholesale payment services have been extensively regulated, much work remains to be done in the sector of retail financial services, an area directly affecting consumers and small enterprises. Using a dual focus on the historical development of EC financial services law and current

trends in this highly evolving sector, this important book masterfully reveals and delimits the legal aspects of payments within the European Union and analyses the different legislative approaches to harmonization in financial services. The author shows that, despite the inherent sensitivity of the financial services sector and the rapid technological developments, a centralized EC initiative for payment services has the potential to bring about tangible results in terms of consumer protection and further EC integration.

Meuwese, Anne C.M., *Impact Assessment in EU Lawmaking*, Kluwer Law International, Hardback, £78.00, ISBN: 9789041127204 This is a significant milestone in a number of emerg-

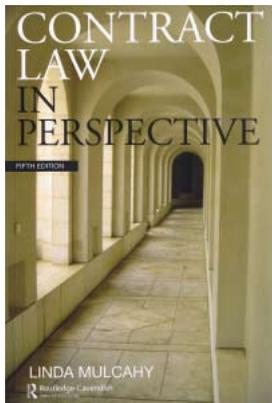

ing legal debates around Europe's constitutional future, accountability regimes, 'meta-regulation,' and the growing awareness of de facto binding norms. Its vital implications reach far into the future, not only for EU legislation but for the entire field of constitutional law as it adapts to prevailing structures of public power everywhere.

Monk, David; Moyes, Alastair, *Marketing Legal Services: Succeeding in the New Legal Marketplace*, Law Society Publishing, Paperback & CD, £59.95, ISBN: 9781853286582 Alternative business structures, as enabled by the Legal Services Act, means that solicitors' practices will soon be competing with nationally recognised brands offering legal and other services.

## MAJOR NEW TITLES THIS MONTH – *Continued*

Marketing Legal Services helps solicitors prepare their practices for the future. This highly practical and user-friendly book deals with the whole range of marketing topics.

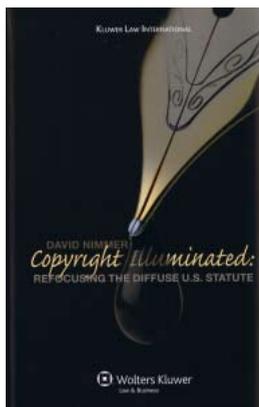

Mulcahy, Linda, *Contract Law in Perspective 5th ed*, Routledge-Cavendish, Paperback, Routledge-Cavendish, £22.95, ISBN: 9780415444323

Netanel, Neil, *Copyright's Paradox*, Oxford University Press, Hardback, Oxford University Press, £18.99, ISBN: 9780195137620 In this book, the author explores the tensions between copyright law and free speech concerns, revealing how copyright law can impose unacceptable burdens on speech. Netanel provides concrete illustrations of how copyright often prevents speakers from effectively conveying their message, tracing this conflict across both traditional and digital media and considering current controversies such as the YouTube and MySpace copyright infringements, Hip-hop music and digital sampling, and the Google Book Search litigation. The author juxtaposes the dramatic expansion of copyright holders' proprietary control against the individual's newly found ability to digitally cut, paste, edit, remix, and distribute sound recordings, movies, TV programs, graphics, and texts the world over. He tests whether, in light of these developments and others, copyright still serves as a vital engine of free expression and he assesses how copyright does--and does

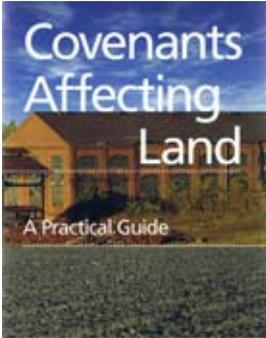

not--burden speech. Taking First Amendment values as his lodestar, Netanel argues that copyright should be limited to how it can best promote robust debate and expressive diversity, and he presents a blueprint for how that can be accomplished.

Nimmer, David, *Copyright Illuminated: Refocusing the Diffuse U.S. Statute*, Kluwer Law International, Hardback, £123.00, ISBN: 9789041124944 For several decades now David Nimmer has maintained a steady flow of insightful, witty, and deeply-informed commentary on copyright in the law journals. His well-earned reputation as a major authority and theorist on copyright law is unassailable. In this new volume—a companion to his very well received *Copyright: Sacred*

Text, Technology, and the DMCA, published by Kluwer in 2003—Nimmer once again tackles some of the thorniest issues that arise in the practice of copyright law.

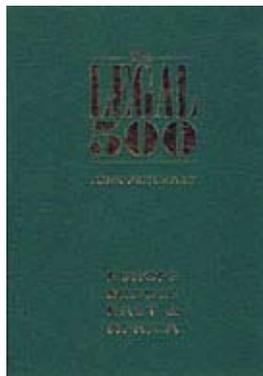

Olins, Andrew, *Covenants Affecting Land: A Practical Guide*, RICS Books, Paperback, £45.00, ISBN: 9781842194096  
Developers and surveyors are faced with a stark truth: having identified a site for development, they can invest considerable management time and professional fees to obtain planning permission; yet, if covenants exist and are threatened to be enforced, this investment could be worthless. Using practical flow charts and essential case law for illustration, this approachable guide helps

readers to put theory into practice and, in so doing, to understand the implications of purchasing such a site.

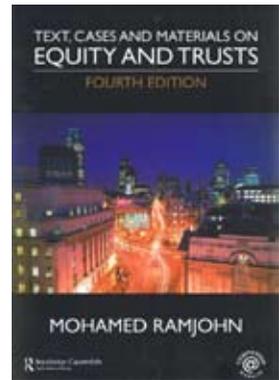

Pedley, Paul, *Copyright Compliance: Policies and Risk Management*, Facet Publishing, Hardback, £39.95, ISBN: 9781856046404

Pritchard, John, *The Legal 500: Europe, Middle East and Africa 2008*, Legalease, Hardback, £120.00, ISBN: 9781903927960

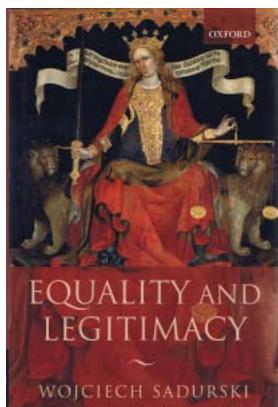

First published in 1990, this is the leading guide to law firms throughout Europe, Middle East and Africa. Researched by the team, through first-hand interviews with lawyers and clients, the book includes coverage of the legal markets in more than 60 jurisdictions.

Ramjohn, Mohammed, *Text, Cases and Materials on Equity and Trusts 4th ed*, Routledge-Cavendish, Paperback, £32.99, ISBN: 9780415442947

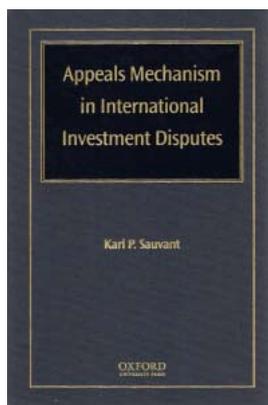

Sadurski, Wojciech, *Equality and Legitimacy*, Oxford University Press, Hardback, £40.00, ISBN: 9780199545179  
This book examines the relationship between the idea of legitimacy of law in a democratic system and equality, conceived in a tripartite sense: political, legal,

and social. Exploring the constituent elements of the legal philosophy underlying concepts of legitimacy, this book seeks to demonstrate how a conception of democratic legitimacy is necessary for understanding and reconciling equality and political legitimacy by tracing and examining the conceptions of equality in political, legal, and social dimensions.

Sauvant, Karl P., *Appeals Mechanism in International Investment Disputes*, Oxford University Press USA, Hardback, £82.00, ISBN: 9780195341560 This volume brings together significant contributions from leading voices in academia, the legal profession and government on the increasingly important topic of international investment and the legal system in which it operates. With the burgeoning size of international capital flows matched only by an explosion in international agreements intending to regulate the field, there is increasing potential for incoherence amongst and between treaties and arbitral decisions.

Smailes, David; Flint, Andrew, *Tolley's Income Tax 2008 - 2009: Main Annual*

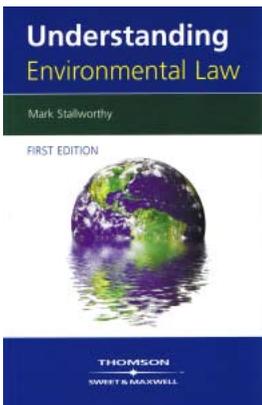

& Post-Budget Supplement, LexisNexis Butterworths, Paperback, 2 Volumes, LexisNexis Butterworths, £119.95, ISBN: 9780754534617 This is the definitive work on the subject, providing comprehensive, but straightforward and concise coverage of the relevant statute law, case law and HMRC practice for not only the current year but the last six years as well.

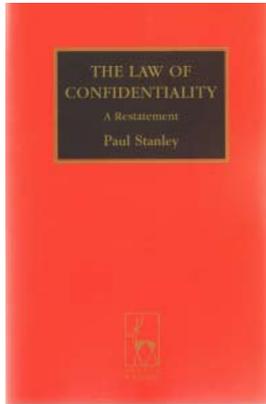

Sperling, Daniel, *Posthumous Interests: Legal and Ethical Perspectives*, Cambridge University Press, Hardback, Cambridge University Press, £65.00, ISBN: 9780521877848 Daniel Sperling discusses the legal status of posthumous interests and their possible defeat by actions performed following the death of a person. The author first explores

the following questions: Do the dead have interests and/or rights, the defeat of which may constitute harm? What does posthumous harm consist of and when does it occur, if at all? This is followed by a more detailed analysis of three categories of posthumous interests arising in the medico-legal context: the proprietary interest in the body of the deceased, the testamentary interest in determining the disposal of one's body after death and the interest in post-mortem medical confidentiality. Sperling concludes that if we acknowledge the interest in one's symbolic existence and legally protect it, not only do some interests survive a person's death but we should also enjoy a peremptory legal power to shape in advance our symbolic existence after death.

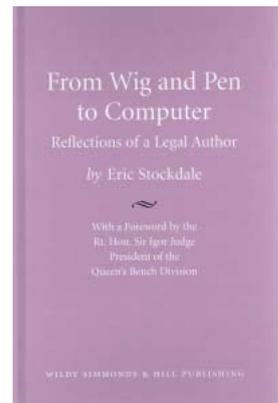

Stallworthy, Mark, *Understanding Environmental Law*, Sweet & Maxwell Ltd, Paperback, £17.95, ISBN: 9781847030306

Stanley, Paul, *Law of Confidentiality*, Hart Publishing, Paperback, £35.00, ISBN: 9781841138114 The last twenty years have seen rapid development of the equitable action for breach of confidence. The Spycatcher saga of the late 1980s led to the restatement of the fundamental principles. There was increasing concern about press intrusion, and the need to protect privacy rights guaranteed by Article 8 of the European Convention in the wake of the Human Rights Act 1998. Against that background, a number of high-profile cases—such as *Campbell v MGN Ltd* (2004)—explored how com-

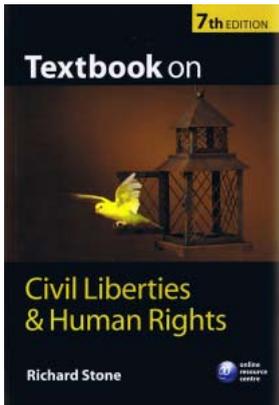

mon law principles laid down in the nineteenth century might be adapted to twenty-first century conditions. How far will the law go in protecting privacy? Meanwhile, in the “information age”, the law has had to grapple—for instance in *Douglas v Hello! Ltd* (2007)—with how best to protect the commercially valuable information and when it should assist those who wish to exploit it.

## MAJOR NEW TITLES THIS MONTH – *Continued*

*Refugee Law: Principles and Practices in Australia 2nd ed*, Cambridge University Press, Paperback, £27.99, ISBN: 9780521714327 Migration and refugee law and policy is fundamentally concerned with the choices that we as a nation make regarding the people that we allow into our community and to share our resources. The book provides an overview of the legal principles governing the entry of people into Australia.

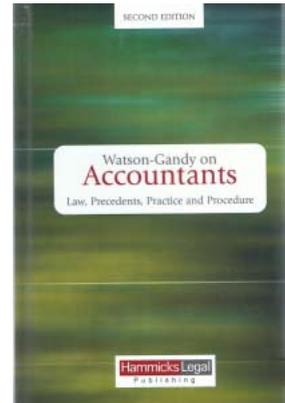

Walmsley, Keith, *Butterworths Company Law Handbook 2008 Supplement: The Companies Act 2006 (21st edition Supplement)*, LexisNexis Butterworths, Softcover, £65.00, ISBN: 9781405733519 This is widely regarded as the essential company law

reference work. This 2008 Supplement to the 21st edition of the “Blue Book” gives the practitioner access to key companies legislation updated to 6 April 2008. The Supplement complements the material in the 21st edition, so that practitioners can use the two books in conjunction with minimum duplication, benefiting from access to the most up to date companies legislation at this time of rapid change.

Walton, Kevin; Flint, Andrew, *Tolley's Capital Gains Tax 2008 - 2009: Main Annual & Post-Budget Supplement*, LexisNexis Butterworths, Paperback, 2 Volumes, £114.95, ISBN: 9780754534501 This book provides the definitive, yet straightforward, concise account of the law and practice relating to this complex tax. Corporation tax

on chargeable gains is also fully covered.

Watson-Gandy, Mark, *Watson-Gandy on the Law Relating to Accountants: Law, Precedents, Practice and Procedure 2nd ed*, Hammicks Legal Publishing, Hardback, £89.00, ISBN: 9781858116006 Accountants play an increasingly important and diverse role in society today. Traditionally in the United Kingdom accountants are the first port of call for businessmen seeking any form of professional advice or assistance. They undertake a wide range of functions which stretch far beyond their traditional roles of preparing accounts, financial reporting, auditing and tax planning. This major work provides legal practitioners advising accountants and accountants

themselves with clear and practical guidance — from non-contentious but vital practice governance issues to the complex issues pertaining to professional negligence.

Weeraratne, Aswini; Hatfield, Sally; Burnham, Ulele; Gerry, Alison, *Mental Capacity Act 2005 (Butterworths New Law Guide)*, LexisNexis Butterworths, Paperback, £45.00, ISBN: 9781405725422 This book explains in detail key concepts of the new legislation and implication for practitioners, whilst identifying areas of potential difficulty and providing guidance in relation to particularly controversial areas of the Act.

Williams, Katherine S.,

*Textbook of Criminology 6th ed*, Oxford University Press, Paperback, £24.99, ISBN: 9780199290314 Textbook on Criminology offers an engaging and wide-ranging account of crime and criminology. It provides a clear and comprehensive consideration of the theoretical, practical, and political aspects of the subject, including the influence of physical, biological, psychological, and social factors on criminality. The text is ideal both for law students studying criminology modules, and for students studying criminological theory modules as part of their criminology degrees.

Yew, Julian; Grant, Adam, *ICSA Boardroom Employ-*

*ment Law: From Recruitment to Dismissal*, ICSA Publishing Ltd, Paperback & CD-ROM, £49.95, ISBN: 9781860723872 In the complex field of employment relationships it is vital for employers to ensure that the terms of the relationship is clearly stated from the outset, and that proper mechanisms are put in place to deal with any situation when the parties have to go their separate ways, for whatever reason. This new book will assist the company secretary and directors in the boardroom by providing them with an overview of the legal and practical issues that can arise when hiring senior managers, and managing their exit if and when they leave the company.

### **Prison Law: A Practical Guide**

by Margaret Obi

Law Society Publishing, Softcover, ISBN 9781853285646, £49.95, due June 2008

Prison law practice is expanding, particularly as the impact of legislative changes is realised in greater breach proceedings and appeals to the Parole Board against licence recall. As criminal practitioners become more involved in events post original sentence, the book will be an invaluable guide to other problems frequently encountered by prisoners, such as parole reviews, adjudications, security categorisation, and complaints. *Prison Law* is the ideal first source of reference when tackling any prison related case. A user friendly guide for criminal law practitioners, it sets out complex material in a clear and easily accessible style with helpful checklists, good practice tips and reference to the key documents.

### **Child Case Law Management Practice**

by Hon. Justice Ryder and Iain Goldrein

Jordan Publishing, Softcover, ISBN 9781846610318, £95.00, due June 2008

The family courts dealing with public and private child law cases are inundated with work, involving huge amounts of paper. Far more effective is the creation of a file which, from the outset, focuses on material relevant to the judicial decision-making process. So for each particular issue, there needs to be an analysis of what the judicial hearing will actually require, with checklists, questionnaires etc specifying the information necessary to fulfil that ultimate objective. *Child Case Management Practice* has been devised to meet that need. For every area of child law there is a succinct resume of the legal framework, detailed consideration of what the court will actually require to achieve the result applied for (including a timetable to trial and the court's options/powers) and a checklist of all steps to trial (including model documents such as directions etc). A Template Model Order is also included. This major new work comes in a single annual volume to keep you abreast of the latest developments in law and practice.

### **Conflicts of Interest and**

### **Chinese Walls 3<sup>rd</sup> edition**

by Charles Hollander and Simon Salzedo

Sweet & Maxwell, Hardback, ISBN 9781847030191, £175.00, due June 2008

This groundbreaking work provides authoritative guidance on the law relating to conflicts of interest in all its dimensions, from client conflict and personal conflict to commercial and judicial conflict. This new edition explains in detail the current legal position in various professional sectors (lawyers, accountants, the City, directors, estate agents and insurance brokers), and deals with all recent case law, including the important House of Lords decision in *Hilton v Barker Booth & Eastwood*. Also Offered is practical guidance on how conflicts of interest can be avoided or reduced. Strategies are presented for assessing and managing conflict situations. This edition gives guidance on the features and use of Chinese Walls and contains a chapter looking at conflicts arising from takeovers. It analyses judicial conflict as it affects all decision-making tribunals, discusses remedies and examines the obligation

of a professional to act as whistleblower if he or she suspects the client of money laundering or criminal activity.

### **Travel: Law and Litigation 4<sup>th</sup> edition**

by Alan Saggerson  
XPL Publishing, Hardback,  
ISBN 9781858113999,  
£60.00, due June 2008

Alan Saggerson's *Travel: Law and Litigation* established itself as one of the leading works in a growing field of law. As an experienced practitioner and litigator - with direct experience of the travel industry, his practical texts skillfully bring together the different aspects of the law that practitioners will want to know - placing special emphasis on the procedures involved in successful litigation. With the growth of international travel, tour companies, travel agents and airlines are increasingly caught up in the complexities of legal claims, while business and leisure travellers seek redress across a wide range of contractual and tortious matters. Whether acting for the corporate client or the consumer, practitioners must be familiar with the legal principles involved and procedures to be followed when acting on behalf of clients. The book sets out the sub-

stantive law and procedure, in its UK and international context, with admirable clarity. Case summaries are thoroughly presented including full quantum information, arranged by type. Many cases have not been formerly reported or commented on before. Analysis of the legal importance of each case and of the circumstances, ensure that each case is set in its proper context.

### **Smith and Hogan: Criminal Law 12<sup>th</sup> Edition**

by David Ormerod  
Oxford University Press, Softcover, ISBN 9780199202584,  
£32.99, due July 2008

*Smith & Hogan: Criminal Law* is regarded as the leading doctrinal textbook on criminal law in England and Wales and has been for over 40 years. The book owes its consistent popularity to its accessible style, depth of analysis and breadth of coverage. It is an invaluable study aid for undergraduates and an essential reference source for criminal law practitioners. The twelfth edition has been completely updated in order to include all legislative and case law developments. The chapter on fraud has been rewritten to take into account the Fraud Act 2006. Other key changes include incorporation of the

Corporate Manslaughter and Homicide Act 2007, and recent Law Commission report findings. Also Covered is the new Serious Crime Bill on incitement.

### **Loan and Security Documents: A Negotiating Guide 3<sup>rd</sup> edition**

by James Dakin, Gavin Rabinowitz and Vanessa Beattie-Jones

Jordan Publishing, Hardback, ISBN 9781846610493,  
£125.00, due August 2008

Now in its third edition, *Loan and Security Documents: A Negotiating Handbook*, is an essential guide for anyone involved in drafting or negotiating corporate borrowing and security agreements. This new edition has been updated to reflect changes imposed by the Companies Act 2006. The book contains authoritative, clearly drafted precedent agreements covering the most common lending and security transactions. Each agreement is annotated, clause by clause, with clear, practical advice directed specifically at both the lender and the borrower outlining, amongst other things, the purpose of each clause, the opportunities for negotiation and the effect the clause has in practice. This is an indispensable source of practical knowledge, which provides practitioners with

a real negotiating advantage for their clients.

### **The Sale and Management of Flats: Practice and Precedents 3<sup>rd</sup> Edition**

by Richard Quenby  
Tottel Publishing, Softcover, ISBN 9781847662446, £95.00, due June 2008

A combined and specialist reference source on the sale and management of flats, the 3rd edition of this practical book provides guidance on all areas of flat conveyancing from the points of view of the developer, landlord and flat buyer. It contains 40 precedents including leases, memorandum and articles of association of tenants' management company and agreements between developers and tenants' management company. The previous editions of this title were under the authorship of Cawthorn and Barraclough.

### **Environmental Law 7<sup>th</sup> Edition**

Stuart Bell and Donald McGillivray

Oxford University Press, Softcover, ISBN 9780199211029, £28.99 due July 2008

*Environmental Law* addresses a wide range of topics, introducing students to all of the key areas and latest developments of environmental law, drawing on legislation, policy, and practice. The seventh edition features a new chapter on the law relating to air pollution and climate change, as well as more detailed coverage of environmental liability at national, EU, international, and transnational levels. Reference is made throughout to the influence of European and international organisations and legislation and

understand exactly how these developments affect you, your company, your employees or your clients.

### **Joint Ventures 4<sup>th</sup> Edition**

Ian Hewitt

Sweet and Maxwell, Hardback, ISBN 9781847033321, £198.41 due July 2008

*Joint Ventures* examines a range of transactions where two or more existing companies or firms agree to establish a common enterprise or business-related activity in which they intend jointly and directly to participate. The work identifies the principal issues raised by a range of transactions, sets out the relevant background law and suggests practical ways of dealing with the issues that arise. It provides expert commentary together with practical work tools for the practitioner, including precedents and checklists. Coverage is international, covering joint venture law and practice in the Far East, North American, European, Eastern European and South American territories. It provides detailed guidance on planning a joint venture transaction, suggests how to tackle many of the practical issues that can arise and

offers enhanced introductory coverage of global dimensions. Topics are fully cross-referenced, allowing readers to follow key ideas through the book and to understand the interaction of law and the environment. The book is structured by theme and by sector and presented in a clear colour design, guiding the student and others through the subject.

**FROM WIG AND PEN TO COMPUTER  
REFLECTIONS OF A LEGAL AUTHOR**

By  
Eric Stockdale

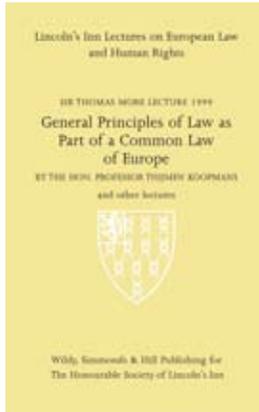

ISBN: 97808549002253

Hardback pp  
£19.95

Eric Stockdale left school at 14 and went to work in wartime London. After two years in the post-war Army he was called to the Bar at the age of 21 and appointed a Circuit judge shortly after his 43rd. birthday. He took early retirement at 65 and then heard Criminal Injuries Compensation appeals for ten years.

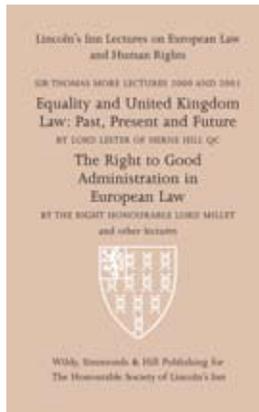

When he became a barrister in 1950 he was a young man with an unusual background, which included 'a pathetic attempt' (his words) to follow several relatives into journalism. After his failure to break into Fleet Street, Eric Stockdale decided to earn his living from chambers in the adjoining Temple. His ability to write led to the publication of many articles, followed by books on criminal justice and historical topics, culminating with two works inspired by the links of many leaders of the American Revolution with his own Inn of Court, the Middle Temple. As this book is about his experiences as a legal author, it also deals briefly with his life in the law and describes how he became interested in the different subjects about which he wrote.

Sir Igor Judge, in his Foreword, comments: 'This is a remarkable story by any standards,' and adds, 'much is written humorously.' The reader, whether lawyer or layman, is likely to concur with that judgment.
